A LETTER FROM LUXUMBERG..

Today I was wondering how school would look in the Spring. Will you look for me and see how much it has changed? Will the crocus still come through in front of Woman's Hall? You know they used to spell something. I've forgotten what but something. And then do the yellow bushes come out by South Wing and by Ernie's and at Men's Hall? Then the bushes in the little rose garden across the way from the dorm bud out. People sit on the front porch of Ernie's and as spring progresses people wander over to Oglebay Hall dairy for huge ice cream cones, and the trees come out between the Administration and Reynold's Hall and they open the windows at the Music School and at Moore Hall and music has a free reign o'er the lush grass behind the president's home.

The fish pond thaws out, they drain and refill it to the tune of Dr. Shortridge's lectures from 214 Administration. Everybody stands down in front of Men's Hall about ten minutes to six each evening in sports coats waiting for dinner (not chow). I suppose the convertibles are gone but the privileged will still sit on the wall in front of the Kappa house and people will wend their way over the famous Burma Road to the Delta Gamma house. The Beta's may even assemble at Ernie's and try to get a ride up the hill at night. No Delts will try to gain admittance late to get some Seven Up, I'm sure. People play soft ball and come in Ernie's with balls and gloves and T-shirts. Some of the ambitious may even strike out for the library and many will go down after to smoke and sit on the walls in front.

At night a light will burn atop the Chemistry building and one

Below is part of a letter written by a West Virginia graduate, Robert Scott, to a former student here. This letter, which was received several days after word came that he had been killed in action near Luxemburg, reflects the feelings of many former students who served overseas during the past conflict. To the memory of those who did not return this book is dedicated.

in the Journalism office and the doorway of Science, Martin and Woodburn where the clock will tick off the hours—three "ones" at 12:30, 1 and 1:30 and people going home toward Sunnyside will whistle loudly.

People will congregate in front of Administration at nine in the morning and "Mixed Chorus" will meet there on Wednesday. Dolphin will meet on Mondays and there will be meetings on Tuesdays and evening gowns some Sunday when initiations are held. Someone will sit on the Chi O's front porch and watch people pass below. There will be a parade of hats and hose to church on Sunday and the Stenger for a Sunday paper and maybe to George Blue's for a shoeshine. The Rendezvous is gone and Eddie Doom's is out of fashion but they may get a passing word from some old "railbird." Harry Goldsmith will stand out in front and talk and his store will have bright ties and socks and newspaper clippings or a letter posted inside or in the window. At four, people will go to typing class and wonder at the injustice of schedules that take afternoons. There will always be more women than men in Fredlocks and the opposite in the Spot (or has the war altered that?)

The landscape behind Elizabeth Moore will become celestial at night with cigarettes for stars. There will be politics and paint and hard feelings in April. People will eat at Communtzi's on Sunday and someone will invariably come in with a suitcase, exhausted from a trip to Charleston. The days will get warm and Cheat will invite as will the White House, the Rainbow, and the Oaks (if they still operate). Some people will just take walks and maybe this year they will get the tennis courts in shape.

Those were the things that happened once each Spring when I knew "school". I guess that is the "stuff" of which my faith is made. I hope those things still go on for that's the part of the world for which I fight, if there is anything to that worn phrase. That is, if I had to say why I want "decency to succeed" I should have to say in order that such things may survive in the world. Be my eyes for this spring that I may not miss it.

MR. THOMAS E. MILLSOP

Weirton Steel Company's president, Thomas E. Millsop, is one of the youngest men in the United States to head a major steel company.

His career in the steel industry started when he was a boy just out of school and, except for the period of his military service during the first World War, he has never been away from it. In addition, Mr. Millsop has had experience in every branch of the steel business. In the actual production of steel, he has worked in the mill, been a salesman, a sales executive, a production executive and an administrator. He has also been connected with a raw materials supplier and a steel fabricating firm.

Mr. Millsop is 48 years old, having been born on December 4, 1898, in Sharon, Pa. At the age of 15, he started to work as a laborer in the open hearth department of the Carnegie Steel Company at Sharon. This was followed by open hearth jobs with the same company at Farrell, Pa., then with the American Steel Foundry at Sharon.

When the United States declared war on Germany, Mr. Millsop enlisted in the U. S. Marine Corps. He served as a flier until he was mustered out in May 1919.

Later in that year he returned to Sharon and went to work as a riveter with the Standard Tank Car Company. He remained with this company for five years and was promoted successively to foreman, assistant purchasing agent and purchasing agent. In July 1924, he entered the scrap business with the Rotter-Spear Company of Cleveland, Ohio, where he remained for a year and a half, leaving to return to the Standard Tank Car Company as production manager.

Mr. Millsop first became connected with the Weirton Steel Company on December 1, 1927 as a salesman. Progressively, he became assistant sales manager, assistant to the president and vice president. In June 1936, following the death of the late John C. Williams, Mr. Millsop was elected president of the company.

In addition to Weirton Steel Company, Mr. Millsop is an executive of a number of other related companies. He is vice president and director of the National Steel Corporation, and president and director of Weirton Improvement Company, Weirton Coal Company, Oak Hill Supply Company and the National Steel Products Company of Houston, Texas. He also is director of the Federal Reserve Bank, Fourth District, Cleveland, Ohio; a member of the American Iron and Steel Institute, and a trustee of Bethany College.

Under the leadership of Mr. Millsop the Weirton Steel Company made a distinguished record in World War II. The Company and its employees stepped far outside the industry during the war to process magnesium, brass, silver chloride, eight-inch howitzer shells and atomic bomb material after many other companies either refused to attempt the projects or had failed in their attempts. Weirton employees, who did not lose one minute of production time in all of World War II, made war steel in record-breaking tonnages. The company and its employees won three bestowals of the Army-Navy Production Award—the "E" Flag with two silver stars. Other honors conferred included the Navy Ordinance Development Award.

It is with pride in a distinguished citizen of our State and Nation that we honor Thomas Elliott Millsop.

STEEL

Topographic Map of West Virginia is centered between the Weirton Steel Company exhibit display cases.

A Permanent exhibit of modern steelmaking has been presented to West Virginia University in Morgantown by the Weirton Steel Company. The exhibit which shows the raw materials Weirton People use and the finished products they make in the Weirton mills is contained in two walnut display cabinets especially designed for a prominent location in the new Mineral Industries building. Weirton's Quality Control department keeps these displays refreshed and up-to-date, maintaining them on a permanent basis. Students of metallurgy study the exhibits as follow-up to classroom lectures.

An aid to swifter transportation, Weirton Steel's new Lodestar will help promote more orders and work for Weirton People.

A WEIRTON PRODUCT SINCE 1790

Grand old relic of Weirton's first blast furnace built in 1790.

The first blast furnace west of the Alleghenies was established by Peter Tarr in 1790 on King's Creek, just north of the present site of Weirton. This famous furnace, with a capacity of not more than two tons a day, cast the cannon balls used by Commodore Perry against the British in the Battle of Lake Erie during the War of 1812. Today, in West Virginia, the steel industry is centered in the Northern Panhandle, almost within sight of the decaying relic of Peter Tarr's blast furnace.

OUR NEW PRESIDENT

His Message To **STUDENTS OF THE UNIVERSITY**

The face of the world has changed greatly since the time the class of 1947 entered the University as freshmen. For many of you the progress of education was interrupted for one or more years. Some of those who started with you did not return; and those of you who did had a deeper insight into life than many men who graduated ahead of you.

The class of 1947 enters an unsettled world. There is change, and the promise of change, everywhere; but change, like the game of chairs we played as children, gives the newcomer his opportunity. It is a challenge to the graduate who has the energy and imagination to put his intellectual equipment and training to its best use. Each person must decide for himself what constitutes the best use.

I am confident that a fair share of the graduates of West Virginia University will take their places in advancing and stabilizing the relationships among men and among nations, in adding

to the total of human knowledge, and in seeing that this knowledge is disseminated and used to the advantage of mankind.

Your University, too, has been a part of the changing scene. The greatly increased demands which have been made upon it have taxed physical facilities and mental ingenuity. The student body has done a remarkable job of adjusting to overcrowded conditions on the campus and has done it with good will. This adaptability and resourcefulness in itself is a fine preparation for the new life opening before you.

As you go forth, you take with you the continuing interest and good wishes of your University's administrative and teaching staff. We shall follow your progress with pride and shall look forward, with pleasure, to your continuing interest in West Virginia University, which is a part of each of you, just as you will always be a part of it.

ADMINISTRATION

Through its many departments West Virginia University insures its students a wide variation of courses from which to choose a vocation. These departments are presided over by competent, well-trained leaders who have had years of experience in their particular fields, and to whom the students look for inspiration and guidance.

In these postwar years the greatest premium is placed upon leadership. As in the West Virginia of past days which was notable for the quality of her leaders, so in the present day West Virginia does it become increasingly evident that

those qualities of leadership have not diminished.

At the present time, the University is on the threshold of an unprecedented expansion both in enrollment and facilities. Leading this expansion is the administration. Under their guidance, the University is growing. It has been their aim always to lead the way for advancement through high faculty standards, expansion of classroom facilities, and a unified single-minded administration. The accomplishments of its members have won for it respect inside and outside of West Virginia.

ALUMNI ASSOCIATION

Charles P. Mead, '28, Wheeling attorney, served as president of the Alumni Association during the 1946-47 alumni year. Other officers were Robert H. C. Kay, '23, attorney of Charleston and Mountaineer football captain in 1921, first vice-president; W. Holt Wooddell, '29, attorney of Elkins and former president of the Student Body, second vice-president; Dr. N. H. Dyer, '24, of Bartley, state health commissioner, U. S. District Attorney Joe V. Gibson, '12, of Kingwood, and J. French Robinson, '15, president of the East Ohio Gas Company, Cleveland, members of the Executive Council, and David W. Jacobs, '31, Morgantown, executive secretary.

Following Mr. Gibson's untimely death on February 26, his son, Milford L. Gibson, '35, Kingwood, also an attorney, was elected to serve the unexpired term.

At the annual business meeting on May 31, Mr. Kay was elected president for 1947-48, succeeding Mr. Mead. At the same time, Mr. Wooddell became first vice-president, Dr. Dyer second vice-president, and Milford L. Gibson and Mr. Mead were re-elected to the Executive Council. New Council member is Dr. Russell B. Bailey, '20, Wheeling surgeon and generally recognized as the outstanding center in Mountaineer football history, having been an All-American selection in 1917 and 1919.

COUNCIL OF FRATERNITY

"United in the belief that among social fraternities there are common problems beyond the scope of individual action; that where there is no unity there is inevitable dissension; that absolute freedom of control provides no freedom but chaos; . . . that fraternities have a responsibility to cooperate with West Virginia University and further its interests . . ."

With the above excerpts from the preamble of its constitution for a guide the Council of Fraternity Presidents was formed early last fall to replace the old Interfraternity Council. With

the co-operation of the various chapter alumni advisers, a constitution was setup naming the regulations governing the council as well as its legislative and judicial powers.

Throughout the year the group has met regularly once a week to take care of individual fraternity problems as well as to plan the following functions. Christmas Dance for the benefit of the Salvation Army, selection by tournament and sponsorship of the University Bridge Team, Christmas Carol Sing, and the underwriting of the Freshman Handbook for next fall.

The "MONTICOLA," student yearbook of West Virginia University resumes publication after a lapse of three years during which time war-time shortages caused its discontinuance.

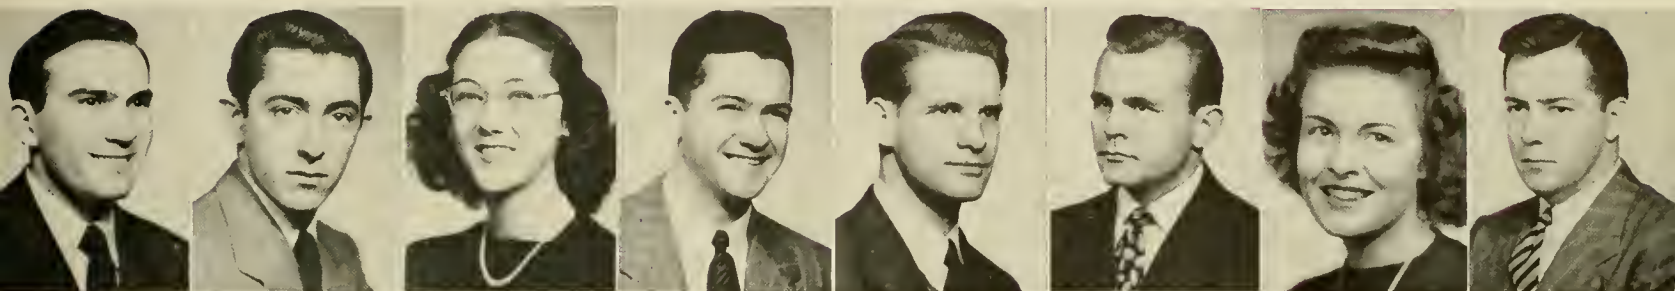

The 1947 staff, made up entirely of students, was for the most part inexperienced but it was through their work and efforts that this years' book was made possible. It is only right that the more active members should receive the recognition which they deserve. Among the more active were Peggy Provins, Mickey Furfari, Bob Johnson, Jody Comstock, Joan Hively, Steve Mate, Bill Phillips, Ernest Lake, and Jim Coughlin. Johnny Batlas and Bob Calvert spent much time on photography throughout the book and Annette Rosenberg designed the cover. The Mountaineer sketches used throughout were drawn by Harriet Wiedebusch.

We wish to express our appreciation to Hugh and A. L. Knee for their all-around cooperation and advice throughout the year; Joe Ledbetter of the Benson Printing Company for the interest he took in helping us in the planning and printing of the "MONTICOLA;" Mr. Russell Benson of the Indianapolis Engrav-

A E U M . . .

The University Theatre, under the direction of professor Sam Boyd, Jr. and assisted by Jack W. Warfield, director of radio, has endeavored to present a show-bill that not only provides entertainment for its audiences but gives the student members of the University players a range for versatility in actual acting experience. The construction and the design of scenery, under the guidance of Robert Prendeville, also gives the members of the University players practical experience in the technical end of the Theatre.

The show-bill for the year of 1946-47 offered to the University Theatre audiences an assortment of comedy, heavy drama, satire, and mystery, and one show of light entertainment for the children of Morgantown. It offers to the students participating in the shows, experience in voice, diction, tempo, movement, interpretation, as well as stage technique and stage setting. This show-bill included such well known dramas as "Philadelphia Story", a comedy by Philip Barry, "High Tor", a satire by Maxwell Anderson, "Is Life Worth Living", a comedy in Irish dialect by Lennox Robinson, "Hotel Universe", a psychological drama by Philip Barry, "Perfect Alibi", a unique murder mystery by A. A. Milne, and "Hansel and Gretel", as the Children's Theatre offering.

The primary aim of the University Theatre is to educate the students in drama as well as giving Morgantown its own legitimate theatre. It is handled, more or less, on the order of a Community theatre, offering season tickets at reduced prices. The University Speech Department, in offering these show-bills, attempts to guide those students who are interested in a professional stage career, either in acting or in the technical skills, and attempts, at the same time, to foster interest in the dramatic arts.

This year marks the reactivation of the Reserve Officers Training Corps at West Virginia University. Carrying on during the war years as an A. S. T. P. and A. S. T. P. R. unit, the military department returned to regular R. O. T. C. status in September, 1946, under the command of Col. Gerald P. Lukert. The Corps now consists of Air Corps, Infantry, Signal Corps and Engineers. The advanced classes numbering 129,, 95 of which successfully completed the first year's training, are divided into these branches. The present enrollment in military classes is 479.

The advanced classes will attend a six weeks summer training camp this summer at the follow-

ing posts: Air Corps—Langley Field, Va.; Signal Corps—Fort Monmouth, N. J.; Engineers—Fort Belvoir, Va.; Infantry—Fort Meade, Md.

This year also marks the reactivation of the W. V. U. unit of Scabbard and Blade, national military honorary. Captain Kermit Blaney directed the reactivation of the company at the University.

The R. O. T. C. unit now consist of one regiment which includes three battalions of basics and a regimental and three battalion staffs chosen from the advanced classes. The majority of the advanced classes are ex-enlisted men with terms of service ranging from one to five years.

The W. V. U. rifle team was forced to begin its season late this year and chalked up victories for only one-third of the matches fired.

During the second semester matches were fired against the following schools: V. P. I., University of Pittsburgh, University of Pennsylvania, Philadelphia Marine Base, University of Missouri, University of New Hampshire, Colorado School of Mines, University of Tennessee, Presbyterian College, University of Kentucky, M. I. T., Cornell University, University of Florida, Purdue, V. M. I., University of Wisconsin, Indiana University, Penn. State, Lafayette College, University of Idaho, University of Arkansas, University of Hawaii, University of Washington, University of Arizona, Oregon State, Ohio State, Clemson, and Carnegie Tech. The team also fired in the William Randolph Hurst matches and the 2nd Army Area matches.

Captain Kermit C. Blaney took charge of the team this year and was also range officer. Robert E. Johnson served as student-coach. Varsity letters were earned by C. L. Underwood, Bryon Galusha, Elbert Legg, Forrest Kee, Lawrence Rush and Robert E. Johnson. No medal for high score in rifle marksmanship was awarded this year.

Each woman student enrolled in the University automatically becomes a member of A.W.S. The Council is composed of nine women elected to govern women students.

A.W.S. furthers in every way a spirit of unity and friendliness among men and women of the University, increases a sense of responsibility, and aims to be a medium for maintaining high scholastic and social standards.

This organization holds several parties during Freshman Week, gives a Christmas party for town students, and sponsors the annual Goldigger's Ball. Several teas have been held during the year, the last for parents during Greater West Virginia Week-end.

The purpose of Mortar Board is to provide for the cooperation between societies, to promote college loyalty, to advance the spirit of service and fellowship among University women, to maintain a high standard of scholarship, to recognize and encourage leadership, and to stimulate and develop a finer type of college woman.

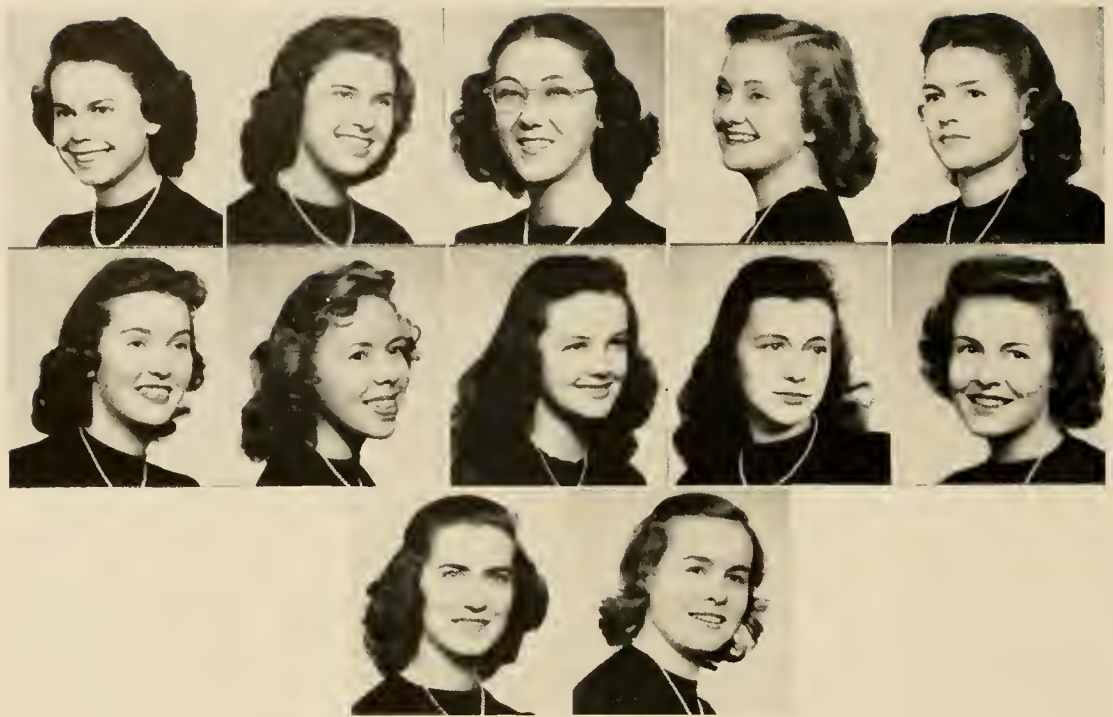

Mortar Board, a national senior woman's honorary, was founded at Syracuse University in 1918. Laurel Chapter was established at West Virginia in 1924.

Members are chosen each spring on the basis of scholarship, leadership, and service.

The pin is a small black mortar board with gold tassel and edging. Colors of the organization are gold and silver.

The object of Rhododendron, junior woman's honorary, is to give recognition to women students of the junior class who have given promise of excellency in scholarship, character, leadership, and activities. Also, to give junior women an opportunity to work together for service to the University and toward the future developing of their talents.

During the school year members of this organization have helped at the Health Center and given assistance to transfer students so as to make them more a part of the campus.

Members are pledged at the annual Link Day ceremony held on the circle in May.

Li-toon-awa in Indian language means "friendship." This symbolizes the purpose of the organization which is to be helpful and to serve as a group on the campus. The members attempt to assist freshmen women adapt themselves to University life.

The group was founded at the University in 1927 and is the outstanding Sophomore organization. Candidates for membership in Li-toon-awa are judged on qualities of character, personality, scholarship, extra-curricular activities, and leadership ability.

Members are pledged at the annual Link Day ceremony held on the circle in May. Initiation is held at a later date.

The symbol of the organization is a pin of two crossed arrows representing the name of the group.

Sphinx, a senior men's honorary organization, is one of the most active groups on the campus. Its aims are: the sponsoring and maintaining of campus traditions and fostering the well-being and interest of freshmen.

The organization was founded at Ohio State University, and was installed at West Virginia University in 1909. Membership is limited to members of the senior class.

One of the most outstanding features of the group is its Link Day which takes place in May. Sphinx also holds an annual dance.

Some services rendered annually by Sphinx are: management of Freshman Week, freshman guidance during the year, sponsorship of the annual Interfraternity Sing and Homecoming Week. Sphinx also sponsors a talent show each year.

Mountain was founded in 1904. Since that time the organization has enjoyed continuous active existence. The purpose of Mountain is to promote the interests and welfare of West Virginia University in accordance with principles adapted by the administration.

Membership is based upon personal character and service to the University.

The major project of the group is sponsoring the Mountaineer Week Team, a good-will group composed of specially-coached students who tour the state high school in the interest of the University. The Team was reactivated this year for the first time since 1941, when the war interrupted the program.

Most of the projects of the organization are carried on without publicity, the Mountaineer Week Team being one of the few exceptions.

Fi Batar Cappar was founded at West Virginia University on March 13, 1914, for the purpose of "boosting" the University. The founders adopted as a badge a small square of leather emblematical of the goal of college life—the sheepskin. It is fastened to the coat with a small piece of brass from the ancient brazen calf, the meaning of which is one of the secrets of the organization.

Alfa chapter has as honorary members such luminaries as Will Rogers, Hal Kemp, Lowell Thomas, Pop Warner, Rat Rodgers, Art Smith, Matthew M. Neely, John Roscoe Turner, Johnny Long, Charlie Hodges, Thomas Ennis, C. T. Neff, Jr., D. A. Burt, Sam Morris, and many others.

The women's journalism honorary, Matrix, was founded at the University in 1924. The purpose of the society is to promote and encourage journalistic efforts on the campus, to become acquainted with the lives and works of prominent women of the literary world, and to emphasize the opportunities for personal advancement open to women journalists.

Matrix sent out its final petition to more than fifty student chapters of Theta Sigma Phi, women's national journalism honorary.

Besides raising money to go national, Matrix has entered into many activities on the campus. The group held a reception in October for visiting women journalists at the State Journalism Conference, conducted the campus Christmas seal sale, had a benefit bridge party, a reception for the Theta Sigma Phi national inspector, and conducted the poppy sale in May.

Journaliers, men's professional journalism honorary fraternity, was organized on the campus in 1927 to give recognition to worthy journalism majors and to serve the interest of the Fourth Estate as well as the University.

Chosen on a basis of professional achievement and purpose, members of Journaliers, are required to meet exacting professional standards.

In past year Journaliers have edited special editions of the Daily Athenaeum, Morgantown Post, Dominion News and other campus publications. Last fall, Journaliers revived its pre-war tradition of sponsoring a smoker for visiting newsmen at the State Newspaper Conference. Another traditional project revived this year was the annual field trip to Pittsburgh to tour the plant of the Pittsburgh Press.

Dolphin Club is an honorary swimming organization sponsored by Miss Grace Griffin and Miss Betty Lang.

The members are chosen by tryouts which are held at the beginning and end of each school year.

Activities during the past year have included the presentation of the annual water pageant which was entitled "Swimming Thru '47." There were parties for Dolphin members and their dates and a demonstration for the Physical Education Convention. Tryouts have been conducted for University women who desire to participate in the National Telegraphic Swimming Meet.

Orchesis is a national dance honorary whose purpose is to stimulate interest in and appreciation of dancing. Membership is open to students who have completed two semesters of dancing and successfully passed technique and composition try-outs set up by active members of Orchesis. The present membership is 25.

The group attended two dance concerts in Pittsburgh last winter. The annual dance recital was presented April 15 in the Morgantown High School Auditorium. For the first time in the history of Orchesis, men danced with the group. Part of this dance program was repeated for Greater West Virginia Week.

Eta Kappa Nu, national honorary society for students and alumni in electrical engineering, has chapters in 36 leading colleges and 10 major cities in the United States. Organized on the campus this year, the West Virginia chapter has a membership of 27 charter members.

The scholarship requirements call for membership to be taken from the upper fourth of the junior class and the upper third of the senior class.

The University chapter has received the approval of its petition for a charter. It should be fully accredited by the national chapter at the end of the present semester.

The purposes of the society are to promote the welfare of the department of electrical engineering, the College of Engineering, and the University as a whole by whatever means a body of responsible persons can work toward this end. Also, to confer a measure of recognition upon outstanding students in electrical engineering and to inspire others to achieve similar recognition.

Xi Gamma Iota is a new organization on the campus. It is for women vets who were in any branches of the service and were honorably discharged.

The Greek letters making up the name of the club correspond in the English to Ex-G. I.

The purpose of the group is primarily social; to promote friendship and mutual interest among its members. The colors are wine and white and the flower is the Forget-Me-Not.

Activities included hearing a speech by Thomas Bennett, American Legion Commander, in September. A hamburger fry was held at Whitmore Park in November. The group has participated in volleyball, basketball, swimming, and other sports.

Wednesday at seven is 'Y' night on the campus. For an hour the members forget all about school work and dates. Their only thought is to join in fellowship with others for an alert discussion and perhaps a few games for general relaxation. Or they may take advantage of the quietness during worship for their own personal expression.

The Y.W.C.A. is an effort to help each individual girl better understand herself and become an essential fixture on the campus.

The organization is a member of the Student Christian Movement and the World Student Christian Federation.

Kappa Phi, national Methodist Girl's club, has chapters on thirty campuses in the United States. It was founded in 1916 at Kansas University. The local chapter, Pi, has an active membership of about 100.

The aim of this organization is "Every Methodist Woman in the University World of Today, a Leader in the Church of Tomorrow." With this aim in view, Kappa Phi provides opportunities for college girls to plan and participate in programs of a religious nature. Kappa Phi endeavors to develop the individual's talents to the fullest capacity and to broaden college life by combining social and spiritual life.

The thirty chapters are rated annually for efficiency. Pi chapter had the honor of being at the top of the list in 1944.

Delta Sigma Theta is a national religious fraternity for men of Methodist preference in colleges and universities. It is an organization of men who appreciate the need for a closer Christian fellowship and believe also that a fraternal organization of young men can do much to stimulate the development of high moral standards of college men.

Mu chapter at West Virginia University was organized in 1938 and has remained active since, even during the war years. The membership has greatly increased since the end of the war.

The group has charge of various religious programs in addition to social activities.

During 1946 and 1947, the Newman Club reached new heights both in membership and activities. Club enrollment rose from a war-time low to almost 300. Large numbers of Catholic students participated in the spiritual, intellectual, and social activities that were sponsored regularly by the club.

The topic selected for the year's religious study was "Thinking with the Church," and included talks on the Papal Encyclicals by guest speakers.

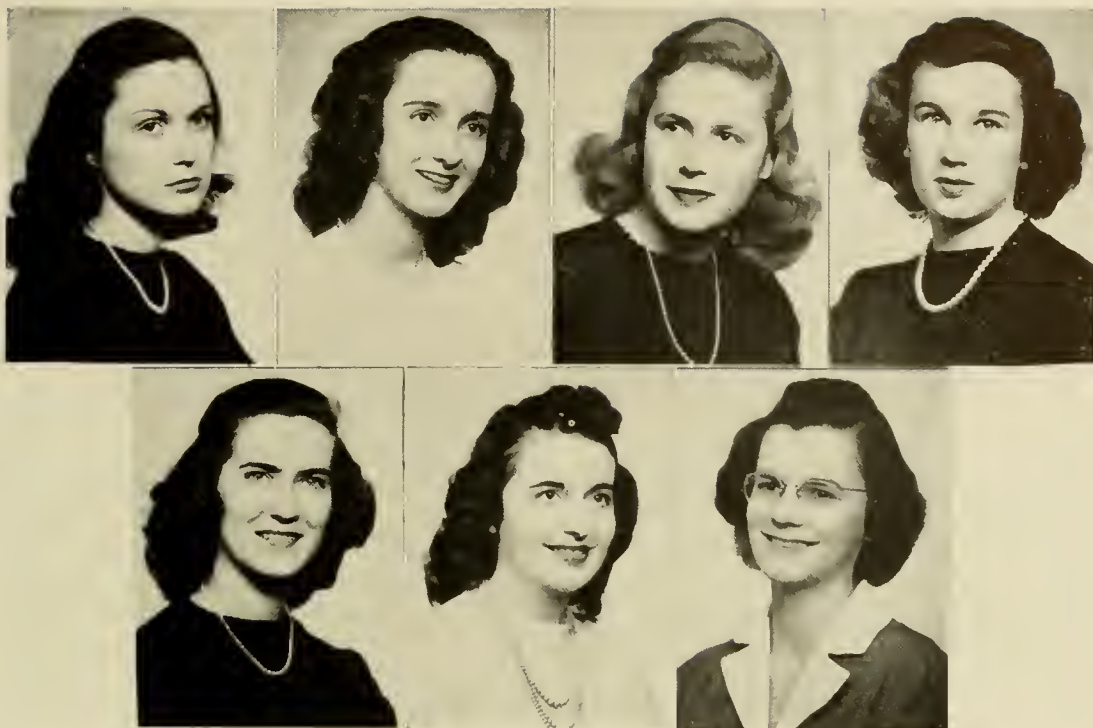

Bi-weekly parties were held at Newman Hall and in December a communion breakfast and a retreat was held.

Father John M. Reardon arrived in December to take up his duties as assistant to Father Wanstreet. Election of officers took place in January.

The Moonlight Prom, annual spring dance, was held in the American Legion Armory on April 25.

Through all these activities, the club attempted to fulfill its purpose as a Catholic Club of Catholic culture and fellowship.

The purpose of this organization is to promote the study of the Italian language and a love for Italian literature and culture on the campus and throughout the state. Also, to try in all ways to render pleasant and profitable the college life of Italian and American students interested in the Italian language and literature.

The members of the society are chosen from students who are taking Italian and from other persons whose distinction in letters, science or education entitles them to such honor.

A pin with the insignia of the Il Circolo Italiano engraved on yellow gold is worn by the women and a key with the same insignia is worn by the men.

Le Circle Francais was introduced on the campus in 1938. The purpose is to gain a better knowledge of France, its people, its language, and its customs.

Although this organization has never been affiliated with the National French Honorary, only those students having a high scholastic rating, and the recommendation of their professors are chosen to the membership.

The officers of the club outlined a cultural program this year. Some of the speakers were: Mrs. W. H. Smith who spoke on Dijons; Mr. Charles Patton whose subject was French paintings; and Dr. Arthur McBride, the sponsor, who honored Victor Hugo on his anniversary by reading several of his poems.

Dr. and Mrs. McBride entertained Le Circle Francais in their home with a Christmas party. The organization presented a musical program April 15 over WAJR. Initiation was held late in May.

The object of this organization, composed of junior and senior electrical engineering students, is to enable students to present technical papers before an audience, each student being required to present, during the entire year, four speeches of a technical nature.

The group is a student branch of the American Institute of Electrical Engineers of which the students may become members after they have obtained their bachelor of science degree.

The student branch at West Virginia was one of the first such student branches that was organized by the parent Institute. It was designated for the purpose of ushering into the parent organization student electrical engineers upon their graduation. A district meeting of the Student Branches in the district was held the latter part of January in Pittsburgh, Pa., and the Aluminum Company of America acted as hosts to the various schools attending. Represented were Pitt., Carnegie Tech., Penn State, and West Virginia. The student conference, which was also attended by A. H. Housely, national president of the Institute was presided by the chairman of the West Virginia Branch, George J. Batlas. Mr. Zeno Neri also of the local Branch presented a paper.

Later in the year the local Branch participated in the Engineering Show, Mr. Jack Roomy acting as the chairman of the committee.

THE COLLEGE OF AGRICULTURE

West Virginia has always been interested in the advancement of research and study in the fields of Agriculture, Forestry, and Home Economics. The objective of the training offered in these branches is to fit the student not only

for farming but also as specialists in research work and various businesses pertaining to these fields. To encourage higher attainments in scholarship and to incite greater efforts toward

The Ag Council is made up of the presidents of various organizations in the College of Agriculture. Included in this group is: Alpha Zeta Honorary, Home Economics Honorary, Forestry Club, Agricultural Club and Home Economics Club.

The Council is directly responsible to the Dean of the College and is under the direction of a faculty member, appointed by the Dean.

The purpose of the Ag Council is to direct and coordinate the social functions of the College of Agriculture and try to maintain social contacts among all of the organizations. It is also a duty of the Council to plan an interesting and well balanced calendar of social functions for the school year.

Alpha Zeta fraternity was founded at Ohio State University in 1897. It is the oldest and best known agricultural honorary in the country. West Virginia chapter was chartered in 1922, and since that time has been the only honorary in agriculture on the campus. There are now forty-six chapters in the United States.

This year the chapter prepared a memorial in the form of a scroll for former members who were killed during the war. Another carries the names of alumni and actives who served in the armed forces. These are displayed in the chapter room.

In considering any candidate for membership, consideration is given to scholarship, leadership, and character.

The University 4-H Club, organized in 1926, welcomes former and present 4-H Club members on the campus to join its activities.

The organization meets bi-monthly for programs and social activities.

For several days in October the 4-H Club played host to the national conference of the Rural Youth of the United States of America at Jacksons Mill.

The emblem of the organization is the four leaf clover and the colors are green and white.

The Agriculture Club was founded in 1932 in order to stimulate social activities in the College of Agriculture. Today it is one of the largest organizations on the campus. Its membership is open to students in the College of Agriculture and graduate students in special fields of agriculture.

The Ag Club, as it is popularly known, sponsors several events during the year. These include a freshman mix for agriculture and home economics students, two radio programs over local stations, annual spring judging contest, the "Overall and Gingham" dance. This year's social program was ended with the annual Ag Picnic.

Several speakers were heard at the regular meetings. Among the speakers was President Stewart.

Phi Upsilon Omicron, national home economics honorary, was founded at University of Minnesota in 1909. The Lambda chapter at the University was established in 1923. There are 32 active chapters of Phi U.

The purpose of this organization is to establish and strengthen bonds of friendships, to promote the moral and intellectual development of its members, and to advance and promote home economics.

Members are selected on the basis of high scholarship, professional attitude, spirit of service, and other activities.

As special projects this year, Lambda chapter has conducted a church nursery school every Sunday morning, presented a radio program, done catering service, served a luncheon, promoted scholarship through presenting the Ruth D. Noer award, and contributed to the Alumnae scholarship fund for home economics freshmen.

FRATERNITIES

Alpha Upsilon chapter of Alpha Delta Pi came into being on March 13, 1919 from a local Alpha Theta Zeta. At the present time there are forty-eight names on the chapter roll.

Alpha Delta Pi, the oldest secret society for college women, was founded on May 15, 1851 at Wesleyan Female College in Macon, Georgia. From the original group of sixteen charter members the enrollment has grown to 33,000 in the sixty-eight chapters throughout the United States and Canada. The official colors are pale blue and white; the official flower is the single purple violet.

West Virginia Chapter of Alpha Delta Pi had a successful social season. A Christmas Party, Valentine Party, St. Patrick's Party, May Day and "Shipwreck" party rounded out the year. The annual Spring formal was the "Stardust Dance" April 11 at the University armory. Founder's Day was celebrated May 15 with a banquet at the Hotel Morgan.

A. D. Pi's have been active in many of the campus honoraries. Marjorie Tower is a member of Phi Beta Kappa, National scholastic honorary. Betty Miller is the only female member of the American Institute of Chemical Engineers at the University. She won the James Wimer Memorial award for Chemical Engineering and was the recipient of the Tau Beta Pi cup. Virginia Conklin and Marjorie Tower are members of Kappa Delta Pi, educational honorary. Betty Jean Bell belongs to Li-Toon-Awa; Dottie Lou Sterling and Jean Fisher are members of Rhodendron. Evelyn Keyer is a member of both the University Press Club and Matrix; Virginia Conklin and Dottie Lou Sterling are members of Phi Upsilon Omicron, Home Economics honorary. Velma Wiesner was a princess for the Military Ball. Jean Fisher is President of Y.W.C.A.

The officers for the year were: President, Dottie Lou Sterling; Vice-President, Betty Jo Straight; Recording Secretary, Velma Conner; Corresponding Secretary, Golda McClung; Treasurer, Betty Jean Bell.

Beta Iota chapter of Alpha Phi was founded at West Virginia University in 1930, making it one of the youngest sororities on the campus. However, Alpha Phi is one of the three oldest fraternities in existence, for it was founded at Syracuse University on October 10, 1872. The Fraternity has grown to thirty-nine chapters throughout the United States, and became international with the installation of a chapter at Toronto.

West Virginia Chapter of Alpha Phi carried on a very successful rushing season, and resumed social activities in the fall by entertaining Kappa Alpha fraternity at Cooper's Rocks with a picnic. The highlight of the year's activities was the annual Spring Formal.

Beta Iota of Alpha Phi was honored when Kathleen Headlee won the Clara Bradley Burdette Scholarship in the Spring of '46. This scholarship was given by the national committee to a senior girl outstanding in scholarship, campus and sorority leadership, and high moral standards.

The women of Alpha Phi have added their names to the rolls of many campus honoraries. Hope Skipwith was initiated into Alpha Psi Omega; Catherine Hamric became a member of Orchesis. Jean Plunkett is a member of Li-Toon-Awa, sophomore honorary and also A.W.S. representative; Madaline Winter and Emma Jean Woofter were initiated into the Home Economic honorary, Phi Upsilon Omicron. Betty Ashburn Gum and Betty Booth are listed in Who's Who this spring. Betty Booth was elected president of Kappa Delta Pi, education honorary.

Alpha Phi officers for the past year were: Anne Vandervort, President; Jane Spangler, Vice-President; Jean Anderson, Secretary and Dorothy Wotring, Treasurer.

Alpha Xi Delta fraternity was founded at Lombard College in 1893. Iota chapter was the first National sorority to become established on the campus of West Virginia University, and it was granted its charter in 1904. The official colors are double blue and gold, and the official flower is the pink Killarney rose.

Iota chapter of Alpha Xi Delta began its fall season with the pledging of sixteen girls. During Homecoming week end the sorority won first honorable mention for its decorations, and Harriet Wiedebusch was Maid of Honor at the game. In November Mrs. Beverly Robinson, the National President, visited the campus and was honored with a reception. At the Christmas season the house was transformed to a "Holiday Inn" and Santa brought gifts to all. This June ten Alpha Xi Deltas will attend the national convention at Nanoir Richelieu in Montreal.

Women of Alpha Xi Delta have distinguished themselves through campus activities. Martha Pugh, Betty Jo Morris and Joan Hardin are members of Li-Toon-Awa; Helen McDuffie and Martha Haugh are members of Rhodendron; Jeanne Anderson and Betty Udy are members of Mortar Board. Shelley Riley became president of W.R.A.; Jeanne Anderson was named president of Pan-Hellenic Council.

In the fall Ann Little portrayed the part of "Tracy" in the University Player's production of **The Philadelphia Story**. Elizabeth Farley played the part of "Liz" in the same "Philly Story," and Delores Garrett appeared in **Is Life Worth Living?** Helen McDuffie, Nancy Wheeler, Elizabeth Farley and Ann Little were selected for Alpha Psi Omega, speech honorary. Beta Upsilon chapter of Kappa Kappa Gamma was founded at West Virginia University in 1906. The fraternity was founded nationally at Monmouth College in 1870. There are seventy-seven active chapters; its organized branches are spread over the United States and Canada, and associations are to be found in the territory of Hawaii and London, England.

Kappa Kappa Gamma began the school year by pledging eleven girls. Pledge Lucy Sue Bowers was elected secretary of the freshman class. Junior Pan-Hellenic chose Rose Anne Ash as its president. Barbara Ann Boggs received a four-year scholarship from the Board of Governors.

During the social season, Kappa Kappa Gamma engaged in many activities. The highlight of the year was the Kappa formal which was held at the Hotel Morgan. A banquet preceded the dance. On Mother's Day the sorority participated in the annual sing sponsored by Sphinx, and gave their annual Mother's Day Tea. Kappa also celebrated its Diamond Jubilee with a 1946 convention at Mackinac Island, Michigan, from July 1-6 at the Island's Grand Hotel.

Beta Upsilon distinguished itself by winning the Pan-Hellenic Scholarship cup for the third consecutive year with a 1.77 average. Many of the members of the sorority have received distinction individually as members of campus honoraries. Joana White and Margaret Ann Jackson are listed in Who's Who; LeMoyné Hamilton, Doris Stoetzer, and Ruth Barton were chosen for Li-Toon-Awa, and Ruth serves as president of the honorary. Pat Paul is Vice-President of Rhododendron, and Margaret Ann Jackson and Jo White hold offices in Mortar Board. In A.W.S. Jeanette Ballengee and Doris Stoetzer serve in the capacity of Secretary and Treasurer respectively; Carol Bates is the freshman representative. "Honey" Price was crowned Homecoming Queen in October at the traditional ceremonies.

Alpha chapter of Pi Beta Phi was founded on the West Virginia Campus in 1918. At the present time there are fifty-one active members in the chapter. Pi Beta Phi was originally named I. C. Sorosis, but in 1880 the name was changed. The Sorority was founded at Monmouth College in 1867, and has since grown to include ninety-one active chapters and a total living membership of 42,000. Two hundred and twenty chartered alumnae clubs are located throughout the United States and Canada. The official colors of the sorority are wine and blue.

West Virginia chapter of Pi Beta Phi began fall activities with the pledging of nineteen girls. One of the pledges, Barbara Burnside, was elected president of the freshman class.

Pi Beta Phi has engaged in most of the campus activities. The sorority won first place in the swimming meet; during Homecoming week-end open house was held in the chapter house.

Members of Pi Beta Phi have distinguished themselves in many ways. Susan Harris and Margaret Reeder were initiated into Mortar Board. Helen Louise Ambler, Dee Ann Bonsit and Margaret Reeder were initiated into Phi Beta Kappa. Doris Lee Mehlinger won the title of "Miss West Virginia Incorporated." There are five Pi Beta Phis on Y.W.C.A. Cabinet, and two members on W.R.A. Cabinet. Nine members of the sorority are in Dolphin, the swimming honorary.

Beta Psi chapter of Beta Theta Pi was founded at West Virginia University August 31, 1900, and has been in continuous existence ever since. At the present time the chapter has a membership of 112 men.

Beta Theta Pi was the first fraternity founded west of the Allegheny Mountains. The fraternity was founded August 8, 1839, at Miami University, Oxford, Ohio. There are now ninety chapters of Beta Theta Pi spread from Canada to Mexico with a national membership of sixty thousand actives and alumni.

West Virginia chapter of Beta Theta Pi began its work this fall with a very successful rush week which resulted in the pledging of thirty-three newcomers to West Virginia University. Late in October the chapter was honored by the presence of Brother Edward M. Brown, National Secretary of the fraternity. One of the highlights of the fall season was the annual Barn Dance held at Field's Park.

President Herbert A. Reaves was elected to the position of chairman of the Council of Fraternity Presidents. Andrew L. Clark was elected President of the West Virginia Branch of American Society of Mechanical Engineers. The height of scholastic achievement was obtained by Nolan Toothman upon his election to Phi Beta Kappa, National Scholastic Honorary.

Members of the chapter elected to other honoraries on the campus are: Fi Batar Cappar, Herbert Reaves, William Shingleton, Robert Gillooly, and Charles Wiedebusch. Gamma Delta chapter of Delta Tau Delta was founded at West Virginia University in 1900 and has been active to the present day with the exception of a brief period during the second World War.

Delta Tau Delta was founded at Bethany College, Virginia (now West Virginia) in 1859. In 1860, Delta chapter was established at West Virginia University, which was then called Monongalia Academy.

West Virginia Chapter of Delta Tau Delta began a very successful rush season. During the Homecoming festivities Delta Tau Delta opened its doors to welcome the many alumni who returned to the Alma Mater. There was an informal reception at noon, followed by a luncheon to honor the old grads. After the game, alumni, actives, pledges and their guests enjoyed a dance at the chapter house.

Some of the outstanding social events of the year included a pledge party to which all pledges of other fraternities were invited, a formal banquet for guests attending the Man's Pan, and the annual Delt Christmas party and dance. The annual Delta Tau Delta formal was held May 3. The Mother's Day sing in May was followed by a reception in the chapter house.

Officers for the year were James Dils, President; Robert Brandfass, Vice-President; Richard Jones, Secretary; Baron Hall, Treasurer.

The official fraternity flower is the Iris, and the fraternity colors are purple, white and gold.

Kappa Alpha Order is a social fraternity basing its doctrine and teachings on the idea of the "perfect gentleman" as exemplified in the life of the immortal Robert E. Lee of Virginia. The first chapter was founded at Washington College—now Washington and Lee—in March, 1865. The motto of the Order is "Dieu et les Dames" and the flowers are the Crimson Rose and the Magnolia blossom. Alpha Rho Chapter was installed at West Virginia University in 1897 by Dr. W. S. Hamilton. Closing its doors during World War II for the first time since its installation, Alpha Rho was reactivated in 1945 with three active members and two pledges. The chapter now has 46 actives and 14 pledges.

During the past year Alpha Rho took an active part in campus activities, winning the homecoming decoration trophy for the fourth consecutive year and also the bowling tournament. Howard Shaffer was elected to the presidency of Fi Batar Cappar. Bob Johnson served as President of the Interfraternity Council and Bob Strader as editor of the 1947 yearbook. New varsity lettermen in the chapter were Forrest Kee—rifle team, and Homer Shaffer—baseball team. Forrest Kee and Harry Miller were elected to Scabbard and Blade, national military honorary and Tom Chambers and Tom Parrish served as members of the varsity Debate Team. Arthur Yates was elected President of the Christian Youth Council and John Roberts served as treasurer of the Junior Class.

Chapter officers for the first semester were: Walter Lewis, I; Don Hollen, II; and Elwood Barickman, III. They were replaced in the second semester by Don Hollen, I; Gene Hasting, II; and Munir Yarid, III.

Kappa Sigma, one of the original Southern Fraternities, was organized at the University of Virginia in 1869. The fraternity has a national membership of 51,865 members and has 110 chapters. Gamma Phi chapter of Kappa Sigma was chartered at West Virginia University in 1918, a revival of the former Pi chapter of 1883. The fraternity is represented in 45 states, and has 107 active chapters with a total membership of over 38,000.

West Virginia chapter of Kappa Sigma suspended its activities on the campus for three years during the war period, but was reorganized this fall when thirty-five active members returned to the school. A successful rush week started the fall season. Buffet dinners followed by dances were held in the chapter house after each home football game. During Homecoming week-end more than two hundred alumni and guests returned to renew old acquaintances. Other outstanding events of the year were the Christmas Party, the Valentine Party, the Kappa Sig Bar and Grill Party, the "Hard Times" Party on April 19, and the annual Spring Formal at the Hotel Morgan on April 25.

Men of Kappa Sigma have distinguished themselves in these ways: Charles "Pete" Yost served as assistant football coach under Head Coach Bill Kern. Charles Blattner, Ken Hamrick and J. C. Pauley served as staff members of the Daily Athenaeum. Billy Wagner was elected the president of the Pledge Interfraternity Council. Herman Nash made the varsity wrestling team again this year. Bosworth Johnson was one of the outstanding members of the University Players. The last released scholastic average found Kappa Sigma in second place with a 1.56 overall average.

Officers for the school year 1946-47 were: Kenneth E. Hamrick, President; Michael A. Sharkey, Vice-President; Robert L. White, Master of Ceremonies; Charles H. Blattner, Secretary; and Theodore H. Ghiz, Treasurer.

West Virginia Alpha Chapter of Phi Delta Theta was originally a literary society and then a local fraternity. The present chapter was installed March 12, 1927, and evolved from Phi Delta Lambda. The national fraternity was organized in 1848, and was first established at Miami University, Oxford, Ohio. It has become one of the largest of the Greek brotherhoods, with 108 chapters in the United States and Canada. Argent and azure are the fraternity's colors and its flower is the white carnation.

Alpha chapter of Phi Kappa Psi was founded at West Virginia University in 1890, and has grown since that time to its present membership of 125. The fraternity was established nationally in 1852 at what is now Washington and Jegerson College.

Notable social events for the year included a rushing season that resulted in the pledging of 36 men, largest pledge class in the history of the chapter; a buffet luncheon celebrating Homecoming activities; the annual Halloween party, enthusiastically received; an informal Valentine's Day party where Phi Psi sweethearts were honored and the annual spring formal, well-attended, held at the Hotel Morgan.

Mountaineer Phi Psi placed second in the intramural football league, captured first prize for the best decorated float in the Homecoming parade, and took top honors in the traditional inter-fraternity caroling competition which is held each year just before Christmas vacation.

Phi Kappa Psi has its quota of members in campus honoraries such as Mountain, Sphinx and Fi Batar Cappar. Recently, Jack Snyder and William Hawley were pledged to Sphinx, and John Law and Kim Godfrey were pledged to Fi Batar Cappar.

Jim Coughlin is perhaps best known of the chapter members, being familiar to students as the buckskin-clad Mountaineer present at all athletic events. Alex Mumford is one of the University's cheerleaders; Russell "Bud" Bolton is senior man representative on the Student Council and Charles "Toar" Caudill is assistant leader of the University Band.

Fraternity officers for the first semester were: Tom Courtney, President; Harold Godfrey, Vice-President; David Stemple, Treasurer; Eugene St. Clair, Recording Secretary; Jack Snyder, Historian; Gibson McCoy, Corresponding Secretary; Alex Mumford, Pledgemaster; Russell Bolton, Sergeant-at-Arms and Robert Lazzell, chaplain.

Second semester officers are as follows: Harry Cronin, President; David Arters, Vice-President; Del Roy Harner, Treasurer; Harold Shamberger, Recording Secretary; Jack Snyder, Historian; Gibson McCoy, Corresponding Secretary; James Wroe, Pledgemaster; William Morton, Sergeant-at-Arms; and Ben Stout, Chaplain.

Upsilon chapter of Phi Sigma Delta came into being in 1927. The West Virginia Chapter was established from a local organization, Mu Delta Mu, which had existed on campus for over five years. In May of 1927 the local organization went National and Upsilon chapter came into existence.

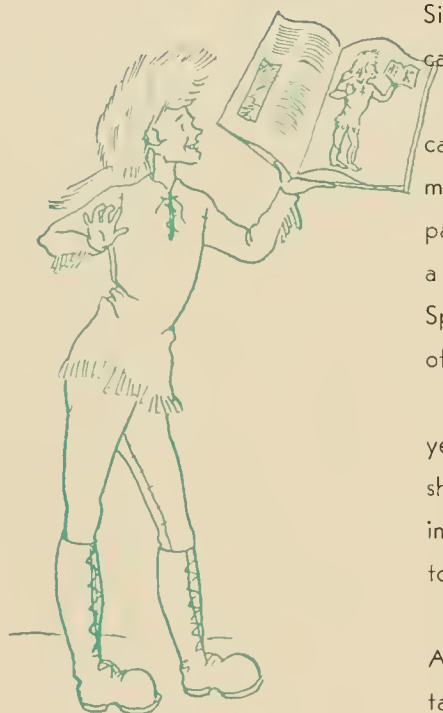

Phi Sigma Delta was founded at Columbia University on November 10, 1909. The Fraternity has a national membership of almost ten thousand and has chapters maintained in nearly two dozen of the larger schools in the country. The official flower is the carnation and the official colors are purple and white.

West Virginia chapter of Phi Sigma Delta conducted a fine rushing season. Twenty-seven men were pledged in the Fall and an additional seven men were pledged at the beginning of the second semester. With fifty-eight men in the chapter, the Phi Sigma Deltas stand as the largest Jewish fraternity to own a place on the University campus.

This year the chapter celebrated a dual anniversary. The twenty-fifth year on campus and the twentieth year birthday as a part of Phi Sigma Delta was commemorated by a big formal dance, Founder's Day banquet, and a week end of house parties. During the war years the chapter remained active on campus with less than a handful of men. Through the efforts of a strong alumni association the home on Spruce Street was purchased and the chapter moved into the house at the beginning of the 1946 Fall semester.

The Phi Sigma Deltas have taken an active part in campus intramural sports. This year they made another record at the Field House by winning the handball championship for the eleventh consecutive year. The intramural department of the University introduced a new league in competition of pledgees this year. Upsilon pledgees took the pledge handball cup to make a dual victory for the chapter in 1946-47.

The Upsilon chapter executive officers are: Stanley Friedman, Master Frater; Albert Newman Vice-Master Frater; Sanders Levine, Treasurer; Donal Z. Israel, Secretary.

Delta chapter of Phi Sigma Kappa was founded at West Virginia University in 1891. Delta chapter was the fourth to be chartered by the national fraternity and the second oldest fraternity to remain active on this campus. Phi Sigma Kappa was founded first at Massachusetts State College.

West Virginia chapter of Phi Sigma Kappa began work this fall with a "Joe College Homecoming Party" and a successful rush season which followed. Other outstanding highlights of the social season were the Christmas Dance and party, the Hellzapoppin Party, the Pledge-Active party, and the annual fraternity formal.

Phi Sigma Kappa has distinguished itself by winning third place in the Christmas Sing, by winning the "B" Basketball league, and by having the best float in the parade for our basketball teams' return from New York

Individuals within the fraternity have been elected to the following honoraries: Fi Batar Cappar: Vic Sencindiver, Jack Turner, Ed Powell, Bob Carr, Robert Grove, Dick Hanlen, Charles Schrader, Claire Wilson, Jim Mendenhall, Paul Bowles, Fred Thomas, Charles Lester, Gene Hall, Bill Caldwell, Jack Feck, Troy Connor, Fred Morecraft, Joe Condry, Robert Mendenhall, William I. Alpha Theta chapter of Pi Kappa Alpha was founded at West Virginia University in 1914. The fraternity was founded nationally in 1868 at the University of Virginia. The official flower is the lily of the valley and the colors are garnet and old gold.

Pi Kappa Alpha held a reception of its new housemother, Mrs. Nelle Bee Evans of Republic, Pa., on October 20. A Founder's Day Banquet was held at the house on March 1. Several national officers, out-of-town guests, and other friends were present along with the actives and pledges. The house was the scene of a "Kiddie Party" March 29. Members were costumed for the occasion.

One of the cleverest parties of the social season, a "Shipwreck Party", was given in honor of the Alpha Delta Pi's in February.

The Pi Kappa Alpha annual spring formal was held April 25 at the Recreation Center. Miss Jane Nelson, Alpha Delta Pi, was selected campus dream girl of Alpha Theta chapter. About 80 actives, pledges, and guests were present.

The social season was rounded out with a party May 16 for Phi Kappa Sigma fraternity. The latter won the skit presentation by the pledge classes and received a cup.

The final activity was a formal initiation on May 18 at sunrise. An outing was held at Cooper's Rocks in the afternoon.

Officers for the current year were: Presidents, John H. Pi Lambda Phi was founded at Yale University in 1895. Mu chapter at West Virginia University received its charter in 1922. Receiving a charter ended a six year attempt to obtain national recognition. An original petition was made in 1916, but the first World War held up negotiations. In 1920 Morton Hyman, one of the charter members, reorganized the club. On May 3, 1922, West Virginia Mu was created.

During the war years the chapter carried on with a minimum number of persons. Eight men were initiated by another chapter and so kept the fraternity from total eclipse.

Mu chapter had a most successful rushing season this fall, and membership is now at its highest level. There are 41 active members on campus at the present time.

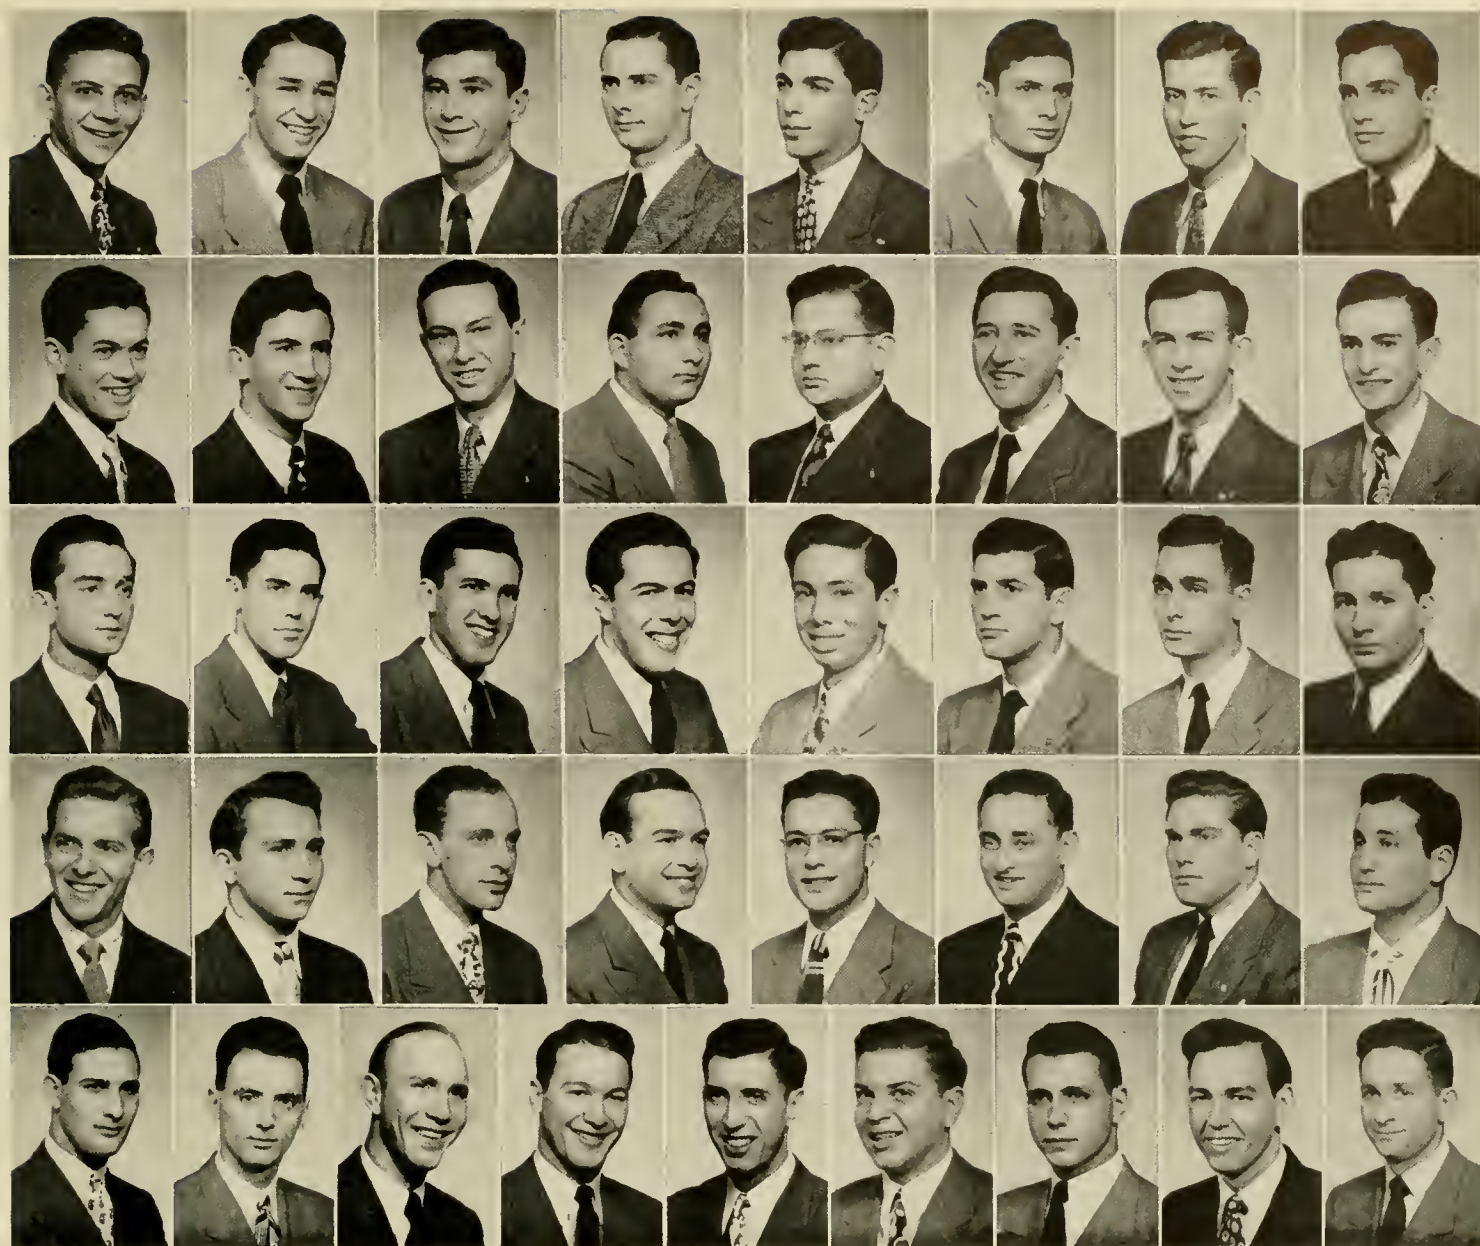

The men of Pi Lambda Phi have distinguished themselves since their reactivation. Morton Union is freshman class president; five members of the fraternity are in Fi Batar Cappar; five in Sphinx, and others in pre-med, physics and journalism honoraries. Len Selman is a varsity wrestler, and Al Smolin, an ex-wrestler and track star, has returned to school.

Officers of the fraternity for the past year were: President, Jerome (Bud) Trow; Dave Baker, Ed Loeb, Jim Roth, and Sanford Lewis are the other elected officers.

Mu Mu chapter of Sigma Chi was founded at West Virginia University in 1895. Nationally, it was founded in 1855 as the youngest member of the Miami Triad at Miami University in Oxford, Ohio.

West Virginia chapter of Sigma Chi began its fall activities with a very successful rush period. After an eventful week of parties, dances and picnics which were enjoyed by all, forty men were wearing the pledge pin of Sigma Chi.

An original party theme was used at the annual Pledge party. The theme was "Sadie Hawkins Day" and the fraternity house was decorated in accordance with the characters of Al Capp's famous comic strip—Li'l Abner.

In intramural competition, the Sigs took third place in Volleyball, third in handball, and second place in badminton. However, intramural sports were not all that the Sigma Chi's participated in. Two members, Fred Schaus and Dave Wilson, won berths on the University basketball team. Fred Schaus was high scorer for the Mountaineer squad this year.

Sigma Chi's have been honored in many ways this year. Four Sigs were initiated into Fi Batar Cappar, mock honorary; Harry (Tut) Callahan, Don Randolph, Harry Crichton and Harry Casto. Il Circolo Italiano, the Italian Honorary, honored Steve Fisher and Elder Zeigler. George Singleton and Julius Singleton became members of the Law Honorary. Dave Wilson was honored with a bid to Mountain, Senior Men's Honorary.

The University Humor magazine, Moonshine, began post-war publication with several Sigma Chi's on the staff. Harry Callahan was elected Business Manager; Don Randolph was made art editor; Harry Crichton, advertising manager; and Jack Peterson was a member of the circulation department.

Other Sigma Chi's who have been active in campus affairs are Bill Pittman and Allan Currey, who are helping to form Spiked Shoe, national track honorary, at West Virginia. Jim Hartman was asked to help in the formation of Alpha Kappa Psi, national business honorary.

Gamma Pi chapter of Sigma Nu was founded at West Virginia University in 1904. The fraternity was first established at the Virginia Military Institute on January 1, 1869. The fraternity has a living membership of over 50,000, and has ninety-nine active chapters scattered over forty-six states.

West Virginia Gamma Pi chapter began a most successful year by pledging thirty-four men with the black, white and gold. The five hundredth man to receive the White Star from Gamma Pi was initiated this year. An interesting event of the season was a three chapter initiation which was held at Bethany College in the fall. Samuel G. Coram and Robert Skaggs were initiated at this time along with men from Epsilon chapter at Bethany College and Delta Sigma chapter at the Carnegie Institute of Technology.

Gamma Pi social life was well taken care of by Social Chairman Norris B. Groves. An open house was held after every home football game and a dinner for visiting alumni was given on Homecoming day. The active chapter was host to the pledges at the annual Christmas dinner, at which time the housemother, Mrs. M. S. Mayfield, was presented with a miniature Sigma Nu pin. The climax of the social season was the annual "White Rose Formal" which was held March 29 at the Hotel Morgan Ballroom.

The thirty-second Bi-Annual Grand chapter of the Sigma Nu Fraternity was held last June 26 through 29 at the Edgewater Beach Hotel in Chicago, Illinois. Frank S. Hewitt and Don K. Marchand represented Gammi Pi chapter.

Members of Sigma Nu have been active in campus affairs this year. Eugene Shoulders was elected to Phi Epsilon Phi, National Botany honorary; Andrew McClung was chosen to be a member of Alpha Zeta, national Agricultural honorary; and Don Marchand was honored by membership in Alpha Psi Omega, National Dramatic honorary.

This year the fraternity was led by the following officers: Commander Frank S. Hewitt, Lieutenant-Commander Harold A. Collins, Treasurer A. C. McClung, Recorder Don Marchand, Chaplain Jack D. Taylor, and Marshall Charles W. Collins.

In 1901 the Saturday Night Club at the University of Richmond was reorganized as a national fraternity and adopted the name of Sigma Phi Epsilon. Since then over 25,000 members have been included in its 75 active chapters.

West Virginia Beta Chapter was granted a charter in 1903 and was active on the campus until June of 1943 when it was de-activated for the duration of the war. In September of 1945 the chapter was re-established in the temporary house on College Avenue and grew steadily throughout the year. Starting in September of 1946, thirty actives composed of new members and pre-war members who had returned, moved the residence to its permanent location on Willey Street.

The chapter enjoyed a successful fall rush season which raised its total membership to 70 actives and pledges. The fraternity was active in all campus activities—winning fourth place in inter-fraternity athletics and capturing first place in the annual Sphinx Talent Show. The highlight of the social season for the fraternity was the annual spring formal and banquet held at the Hotel Morgan. Intermission ceremonies included the naming of Miss Sally Stewart as the Sweetheart of Sigma Phi Epsilon.

Through active participation of active pledges and alumni and with special regard for the services of Mr. Richard Pharr, District Governor of the fraternity and a resident of Morgantown, the fraternity has accomplished a great deal in its progress from the state of inactivity brought on by the war.

With continued cooperation of its actives, pledges, and alumni the near future shall see Sigma Phi Epsilon with a new chapter house and an organization which in coming years will achieve even greater and more far reaching successes.

The fraternity officers for the year 1946-47 were: President, Robert Dunning; Vice President, Aaron Browning; Comptroller, William Sloan; Secretary, George Shumaker; Marshalls, Sam Madia and Wayne Daugherty; Social Chairman, Robert Poole; and Guard, Robert Summerfield.

Rho chapter of Tau Kappa Epsilon was established at West Virginia University in 1923. The national fraternity was founded at Illinois Wesleyan in 1899 and consists of 40 active chapters. The official colors of Tau Kappa Epsilon are cherry and grey, and the official flower is the red carnation.

This year has been mainly a reorganization year for the Tekes who were inactive during the war. Social activities started with a dinner and party during homecoming week-end. Other informal parties were held during the year. The annual Founders' Day Banquet was held at the Hotel Morgan in March, and the annual Spring Formal was held April 18. New Pledges were honored at a spaghetti dinner, and a smoker was held for them in the chapter house.

Members of Tau Kappa Epsilon have distinguished themselves in various ways since their re-organization. George Barrick is a member of Scabbard and Blade, national Military Honorary, Fi Batar Cappar, Mock honorary, and Sphinx. Ray Waters was named president of the National Collegiate Spike Shoe Society; he is one of the two veteran track men to return and is sporting a WVU sweater. Mike Barrick was chosen president of Sons of the American Revolution. "Beck" Campbell made his debut as Teke Mountaineer at Homecoming. Other Teke athletes are first baseman Joe Birmingham who is starring his second year on the West Virginia diamond; football player Tubby Williams, and golfer Mike Krak. Joe Miller was a first-rate intramural bowler.

The president of the fraternity for this year was George Barrick.

Alpha Rho Chapter was organized by Dr. W. S. Hamilton (Alpha), of Wheeling, W. Va., March 8 to 12, 1897, with ten members, namely: James Edmond Law (I); Willey Silas Allen (II); Floyd Neely Frum (III); Nathan Winnet Campbell (IV); Ethelbert Copeland Oliphant (V); Thomas Ray Dille (VI); W. Frank Stout (VII); Haman C. Staggers (VIII); N. W. Campbell (IX); Robert A. Armstrong, Professor of English and Thomas E. Hodges, Professor of Physics. At that time there were thirty-seven chapters in Kappa Alpha Order—Alpha Rho becoming number thirty-eight. At the same time Alpha Rho became the fifth fraternity to be installed on the campus of West Virginia University—the other four being Phi Kappa Psi, Phi Sigma Kappa, Sigma Chi and Phi Kappa Sigma.

Of the ten original members of Alpha Rho nine are deceased. The only living charter member of the chapter is W. Frank Stout, of Clarksburg, West Virginia. Mr. Stout, still actively interested in Alpha Rho and Kappa Alpha after fifty years and an excellent example for future

Roy M. Hawley, a graduate of West Virginia University in 1926, has been director of athletics since August, 1938, succeeding Harry A. Stansbury who resigned. Known to most West Virginians as just "Legs," he served as Alumni Secretary from 1934 to 1938. Before that, Hawley was director of athletics at Marshall College in

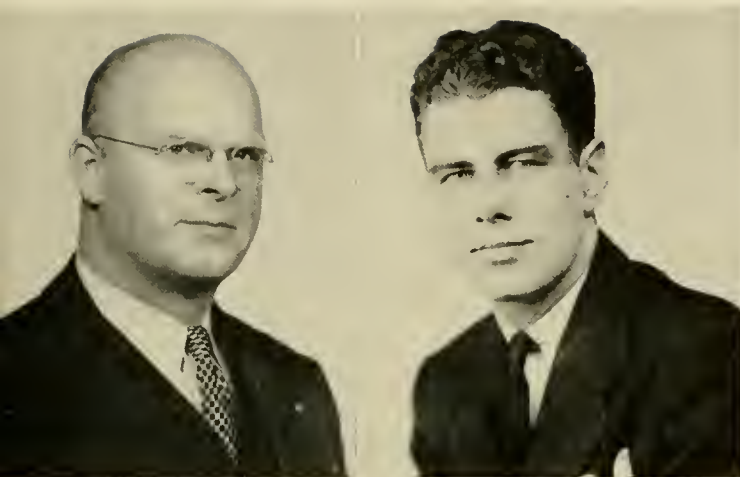

Huntington from 1926 to 1933. He was quite a basketball and baseball player in his undergraduate days at the University and, in later years, played a lot of golf in his spare time. Hawley kept football alive here during the war years.

year as head football coach. A graduate of the University of Pittsburgh, he came to the University in 1940. He left the campus in July '43 to enter the Naval Reserve, but returned to the grid helm last fall. Kern learned football from Dr. John B. (Jock) Sutherland of Pitt, playing as a tackle on the powerful Panther teams of '25, '26 and '27. He went to Wyoming as line coach upon graduation from Pitt, then took a fling at pro ball with Green Bay Packers. He returned to Pitt as Sutherland's assistant in '30, and took over as head football coach at Carnegie Tech in '37. He was named "coach of the year" that season.

Lee Patton is the newest member of the University coaching staff. He came here two years ago to try his hand at college coaching. His results are remarkable. In his first season, Patton led the team through an excellent season and into the National Invitation Tournament. The cagers lost but two games and won third place in the tourney. Last winter Patton engineered the quintet to 18 victories in 19 starts—the best basketball record in Gold and Blue history. His boys won only one game in the N.I.T., however. Patton came to the University from New York state, where he coached a prep school for one year. Before that, he served as athletic director and coach at Princeton, W. Va. High School for 14 years. He helped Kern with the football coaching chores last fall.

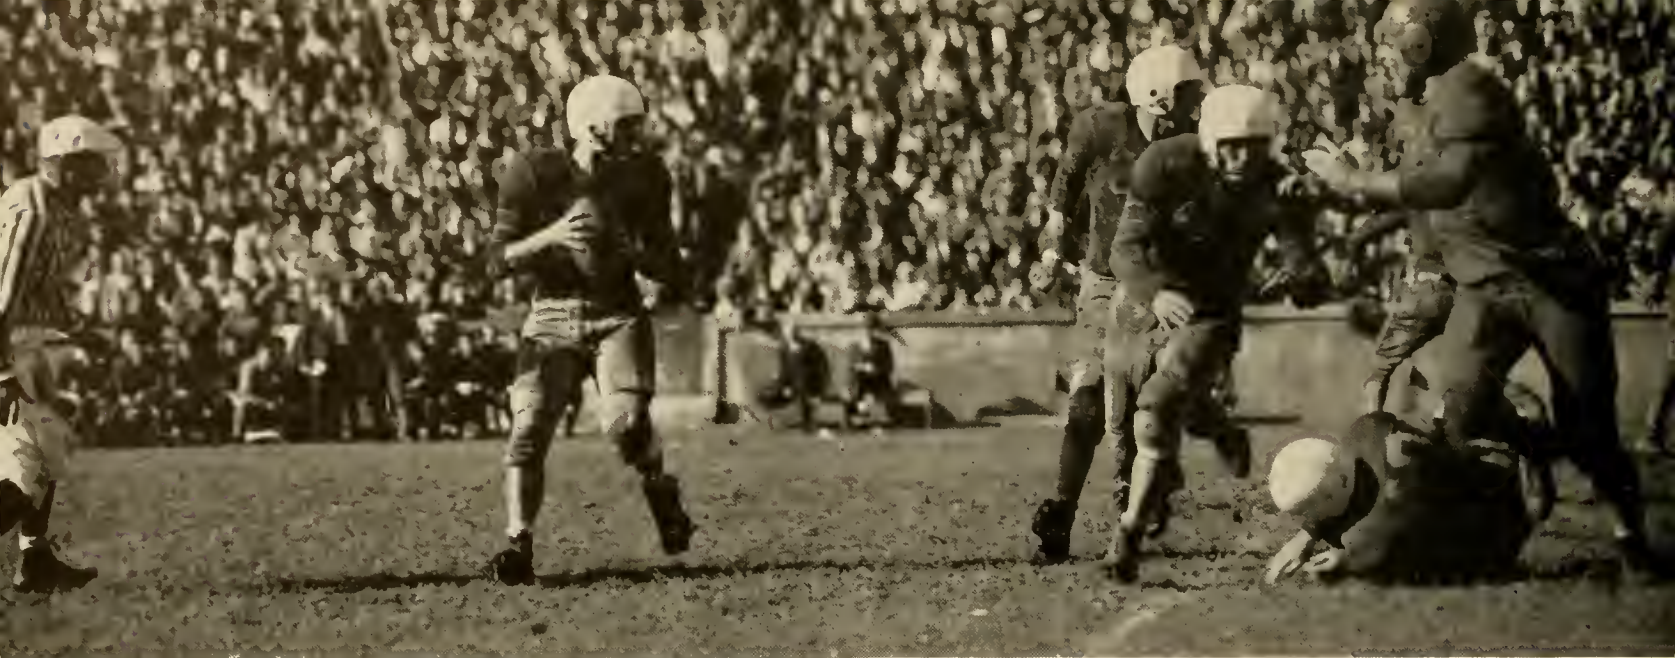

Ira Errett Rodgers is the dean of the coaching staff so far as length of service is concerned. He has coached baseball for 22 years and has been either assistant or head football coach since 1921, when he began his coaching career as an assistant to Mont M. McIntyre. Since last fall, however, Rodg has been ill and unable to coach. Charles Hockenberry is acting baseball coach in Rodgers' absence. As an undergraduate, Rodg was the only

Mountaineer football player ever to be honored on the official All-American team. He was equally outstanding in basketball and baseball. He holds the unusual distinction of having captained football, basketball and baseball teams, as well as being All-America, all in the same year.

Art Smith has coached track at the University since 1924. He has had little material with which to work but he has developed several outstanding athletes. Smith also serves as trainer for the football and basketball teams. Before coming to West Virginia, he coached at the University of Maine, Michigan State College, and Iowa State. Smith attended Buffalo University and also spent two years at Penn specializing in medicine. In college track, he excelled at the hurdles, the two sprints, the quarter mile and discus. He played football in high school.

Albert (Whitey) Gwynne resumed his duties as wrestling coach after serving in the Navy during the war. He has been Mountaineer mat coach since February, 1934. Gwynne took over while captain of the '34 team in his final season. His '36 squad won all seven matches to become the first and only unbeaten one in the history of West Virginia wrestling. Besides wrestling, he played football for W.V.U. Gwynne was named trainer for the football squad during spring drills this year.

Forrest B. Crane joined the Mountaineer staff as office-ticket manager and director of athletic publicity in '42. He served in the Navy during the war. Crane, a graduate of Fairmont College in '33, was connected with the Fairmont newspapers for ten years. He accepted a promotional publicity position with the Monongahela System in '37 and held it until he came here. Crane handles all home game tickets and athletic publicity.

SEASON'S RESUME

If you consider the material that was on hand, the schedule, and the results, the University's 1946 football Mountaineers put in a pretty fair year. Pretty fair? Why, it was better than many others.

It marked the return to the campus of football on a big scale. Returned from the wars were veterans from the '42 season, several newcomers and even Head Coach Bill Kern himself. Kern,

who did a turn in the Navy, took a good look at the grid situation upon his return and immediately warned one and all not to expect too much.

"The team's a year away," Blond Bill burst forth time and time again. To add insult to injury, or vice versa, the injury jinx popped up before the season got under way. It hit the two most promising backs—George (Bud) Freese and

Jimmy Devonshire—and four or five other backfield hopefuls. The line—where we were strongest—wasn't touched too much, except that tackle Vic Peelish, only senior on the squad, had to quit in mid-season because of a bad knee. The team never was at full strength.

Anyway, the result was a five-won, five-lost finish to one of the toughest football schedules a West Virginia team has ever tackled in modern years. That satisfied most of the Mountaineer fans after everything was considered, but not Bill Kern. The Gold and Blue mentor is bent on

racking up a much better mark before he loses the current crop of pigskinners.

West Virginia, 13; Otterbein, 7

It all started in the opening game with Otterbein College. The Westerville, Ohio eleven took the Mountaineers by surprise as thousands of sweating fans looked on in amazement at the Stadium. Freese gave us a 7-0 lead before Otterbein tied it in the second quarter. It was give-and-tuck in the third round, but Joe Kuhayda moved into scoring territory in the last quarter to cop the verdict, 13-7. Incidentally,

the Ohioans went back home and hurdled the remainder of their foes in impressive fashion.

West Virginia, 7; Pittsburgh, 33

The cave fell in on the Mountaineers in the Panthers' lair at Pittsburgh. But it didn't until West Virginia had sent its supporters into a wild frenzy by grabbing a 7-0 lead early in the second quarter. Then it happened. Pitt quickly tied the count on a 98-yard return of the following kickoff, went out front two minutes later, and added two more touchdowns before the half. The only bright spot, aside from the short-lived 7-0 lead, was a 8-7 edge in first downs.

West Virginia, 42; Waynesburg, 0

Using the "T" formation for the first time, Kern's gridders enjoyed a field day at the expense of the visiting Jackets. The Gold and Blue clicked as it pleased, scoring in every quarter and looking impressive as it did so. Six different players accounted for the touchdowns and little Charley Becca came through with his conversions from placement.

West Virginia, 6; Washington and Lee, 0

Both teams were looking for breaks in the traditional contest at Charleston's Laidley Field. They had to because of a steady downpour

which turned the turf into a sea of mud. Well, to make a long story short, Gene Remenar, sub-lineman, got the break which paid off. He recovered a W and L fumble on the W and L 16-yard line, and Dick Hoffman drove and skidded his way to the I before crossing the goal line.

West Virginia, 0; Temple, 6

orites outran, outpassed, outplayed and outclassed the Owls. Temple scored on a pass in the third quarter, however, and West Virginia never could come back. Everytime the Mountaineers neared the Temple goal—which was often—something always happened to cut short each drive. It just wasn't our night.

West Virginia, 13; Syracuse, 0

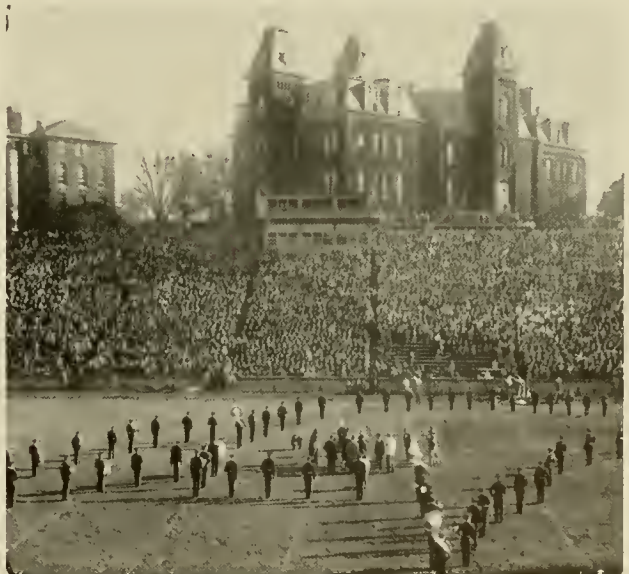

It wasn't supposed to happen—Syracuse was a 12-point pre-game favorite. But it was home-

coming on the campus and homecoming means much—no matter who stacks up as opposition. The Gold and Blue showed a lot of improvement in downing the Orange from New York. A crowd of 18,000 saw the gridders outplay Syracuse in every department of the game, scoring six points in the second quarter and seven in the last. Devonshire and Biddle chalked up the touchdowns and Becca place-kicked the extra point. It was a happy homecoming; it was a sad homegoing for Syracuse.

A good gain is ripped off by Devonshire against Waynesburg while Feldman (on the ground) throws a neat block.

West Virginia, 0; Army, 19

If there ever was a moral victory, this was it. Army, the nation's No. 1 gridiron power, used its first team for three quarters before turning back the Mountaineers by three touchdowns. West Virginia displayed brilliantly against heavy odds and gained much national recognition. It missed scoring twice on tough breaks, but this misfortune was overshadowed by the all-round gallant performance. Leo Benjamin, you know, won the center position on Army's all-opponent team.

West Virginia, 39; Fordham, 0

Thirteen thousand shivering fans were treated to a brilliant display of scoring, blocking and tackling as the Fordham Rams took it on the chin, 39-0, in the Stadium. Saying that it was a lop-sided affair is putting it mildly. Fordham, which was held to a net gain of two yards all

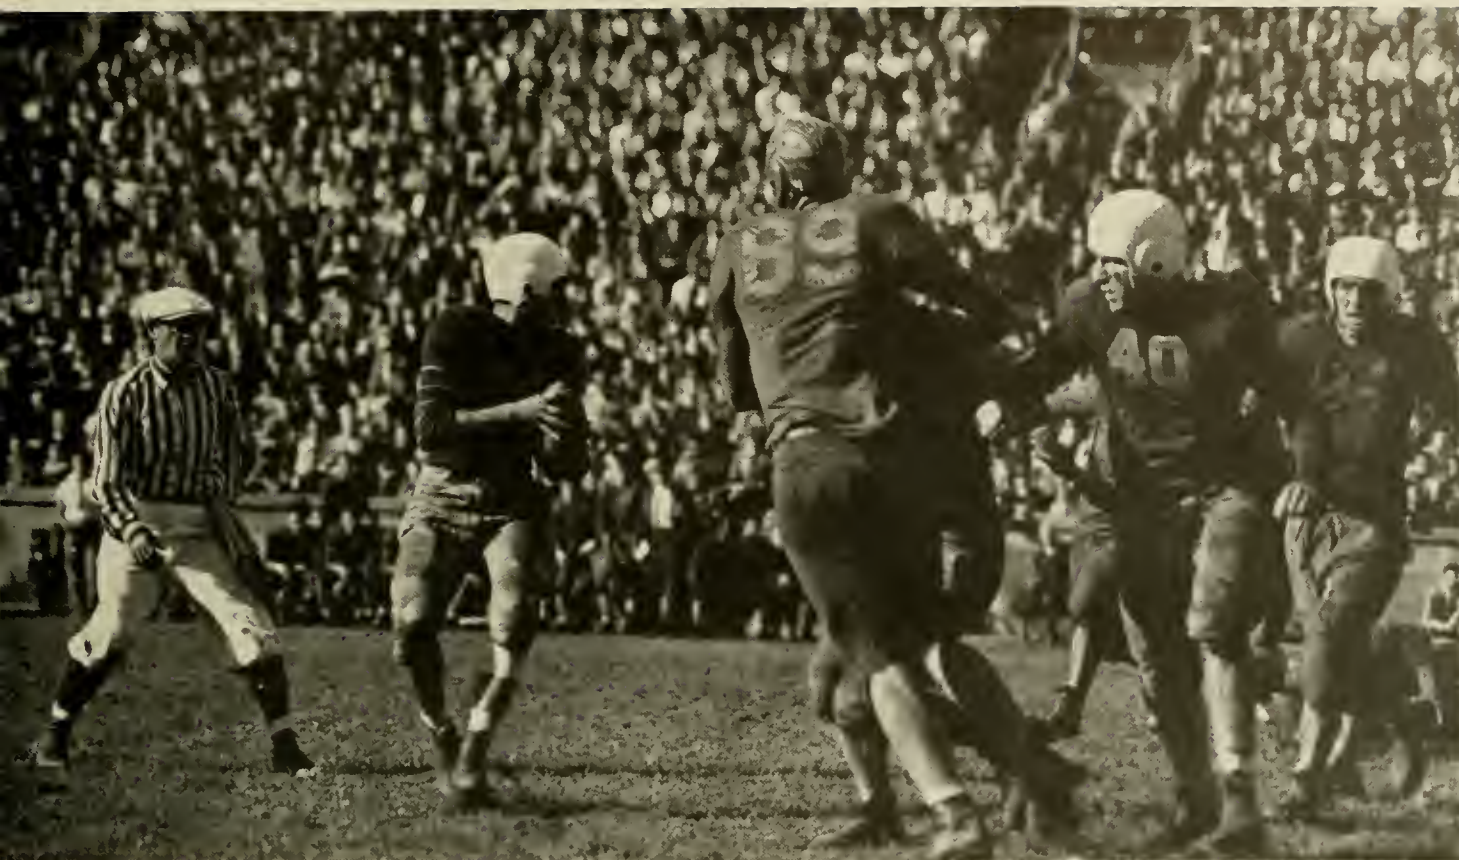

afternoon, didn't even come close to scoring. The Mountaineers, meantime, rolled to six touchdowns with Jim Devonshire, Guido DeVecchis and George (Bud) Freese showing the way.

West Virginia, 0; Kentucky, 13

But the Fordham massacre was to be the last point-making exhibition of the season. There was little joy thereafter. Kentucky, on the strength of two touchdowns by freshman Don Phelps, defeated the Gold and Blue in rain and mud at Lexington. West Virginia held a 5-4 edge in first downs and that was about all. Mountaineer fumbles aided the Wildcat cause.

West Virginia, 0; Virginia, 21

The season came to an end with the Kernmen on the short end of the score in a game with Virginia at Charlottesville. Our boys were tired and measured anything but up to par. A "nine

downs" ruling which enabled Virginia to score in the second period didn't help matters any. Two penalties, one for offside and one for "interfering with the center," resulted in the unusual ruling. The last two touchdowns came in the second half.

It was a great team that gave the University its best basketball record in Gold and Blue history last winter. Coach Lee Patton's cagers dumped 18 of 19 foes during the regular season—a task done well enough to warrant the No. 1 bid to the National Invitation Tournament. We didn't win the tournament—best we could do was wind up in fourth place. But the basketballers brushed aside Bradley Tech in the first round, then gave Utah (eventual winner) many rough moments before losing the semi-final go by two points, 64-62. North Carolina State took the consolation contest.

The Madison Square Garden losses were disappointing, to say the least. Yet, loyal Mountaineer fans got to thinking that perhaps they had expected too much of the classy cagers. The upshot was a huge "Welcome Home, Mountaineers" celebration that was worthy of a championship club. It looked like bargain day or a fire sale as students, townspeople and others crowded High Street for the welcoming festivities. Everything worked out smoothly, receiving Statewide publicity and praise. And that just about closed the book on the word "basketball"; closed, that is, until Patton rolls out another edition in December.

Fireball Freddie Schaus grabbed a page in the book before it was closed. The Freshman flash peppered the nets for 33 points against Waynesburg at the Field House to establish a new

individual scoring record. As if that wasn't enough for one term, Freddie went on to reach within six points of the season point-making mark of 377 points held by Joe Walthall. He passed Rudy Baric's total on the way. You'll be hearing a lot more about Schaus before he's through.

Captain Leland Byrd trailed Schaus' 371-point total with 267 points on 110 field goals and 47 free throws. Bill Zirkel, who withdrew from the University shortly after the season ended, was third in the individual scoring column with 262 markers. He zipped in 107 doubledeckers and 48 charity tosses. Eddie Beach, a freshman, was the only other player to work into the three-figure group, registering 215.

Yes, Patton did wonders with his '46-'47 squad. He built his first five with three freshmen—Schaus, Zirkel and Beach—around Byrd and Clyde Green, members of '45-'46 quintet. None of the cagers are to be graduated this year, so things should be bright again next season. Bright? That's an understatement—we hope.

WEST VIRGINIA, 85; FAIRMONT STATE, 45

The Mountaineers had an easy night of it as they copped the opener. There were several glaring mistakes, however, and these gave Patton something to work at before the next assignment.

WEST VIRGINIA, 76; CARNEGIE TECH, 37

A visit to Pittsburgh found little opposition. Oh, the Tartans were tough—for a couple of minutes. But the Pattonmen soon got going. They wiped out a 6-0 deficit, then started pouring it on as they liked.

WEST VIRGINIA, 81; MARYLAND, 41

It was a rough game—one that brought back football memories. But the Marylanders were the ones who did the knocking, although to no avail. Our fast break clicked too smoothly to give them any time to think about anything.

WEST VIRGINIA, 40; PENN STATE, 37

What a game. Penn State tried to control the ball throughout, and, surprisingly, did right well. Its slow, deliberate style of play topped the Pattonmen for three quarters. The Lions had a 23-17 lead at half time and a two-point margin in the third period. Byrd fired in two long shots late in the fourth quarter to turn the tide.

WEST VIRGINIA, 88; SALEM, 48

Patton used 14 players in this one, 13 of them scoring. A 23-8 advantage in the first period was extended to 49-19 when

the teams left the floor at the halfway mark. The subs played the entire second half, but even at that Salem couldn't catch up.

WEST VIRGINIA, 72; ST. FRANCIS, 42

After a slow start, the Mountaineers really put on a show for 15,000 Madison Square Garden fans. They rolled up a 36-21 edge by halftime. Schaus and Carroll topped the scorers with 15 and 14 points, respectively.

WEST VIRGINIA, 63; CANISIUS, 43

The conquest of Canisius, one of the East's top teams, brought streams of plaudits from New York State writers. They began

referring to the Mountaineers as a definite tournament selection. One writer said: "They have the class, the color and a favorable schedule."

WEST VIRGINIA, 91; BETHANY, 34

Anything but an interesting game. It didn't take the Bisons long to learn the Gold and Blue was boss. The 91 points was the highest total to date. Bethany never was in the running.

WEST VIRGINIA, 83; WAYNESBURG, 60

The visiting Yellowjackets had their guns set for an upset. But it was the Mountaineers who did the popping. They out-

lasted Waynesburg without too much difficulty. Schaus took occasion in this one to break the all-time individual scoring mark.

WEST VIRGINIA, 85; TEMPLE, 47

An annual visit to Philadelphia turned out to be one of the University's best performances of the season. The cagers just couldn't miss. Everything clicked to perfection, despite the fact that Schaus had a bad night. W.V.U. made a big hit with Quaker City fans.

WEST VIRGINIA, 76; MORRIS HARVEY, 45

WEST VIRGINIA, 52; PITTSBURGH, 41

The Panthers tossed a scare into us (as all Pitt teams usually do). They tried to control the ball to slow up our offense. As a result, the Pattonmen had to come from behind for the verdict. Action was delayed four times by arguments.

Navy did it! The Middies snapped the W.V.U. victory streak at 12 straight, dumping the Mountaineers from the list of the unbeaten. Navy managed a 30-28 lead after a seesaw first

Byrd lays up one of his favorite left-handed shots against St. Francis.

Zirkel goes up to block a shot in the St. Francis game.

half. West Virginia took command in the second round only to see the Middies come from behind in the last five minutes. It was a heartbreaker if there ever was one.

WEST VIRGINIA, 90; WASHINGTON & JEFFERSON, 40

The Mountaineers rebounded from the Navy defeat in fine fashion. They completely dominated play in the W. and J. game at Washington, Pa. The Presidents had high hopes, but's that's all. Bob Jackson gave 'em a fancy show—just in case the team's power wasn't enough to convince.

WEST VIRGINIA, 80; TEMPLE, 60

Although never ahead, Temple made it difficult for West Virginia. The Mountaineers had a 10-point lead at the half, then clicked with their fast break in the second half to keep matters well in hand. Field goals were 31-27 in favor of W.V.U., with the Owls far behind in foul shots. Schaus got 26 points.

Up goes Byrd for two points in the second Pitt tussle.

A shot is attempted by St. Francis as Schaus and Zirkel await the rebound.

WEST VIRGINIA, 55; PENN STATE, 51

It was another hair-raiser in the contest at State College, Pa. Our boys had to roar from behind in the final minutes to make victory certain. Beating Penn State on its own floor makes a team's season in itself.

WEST VIRGINIA, 83; WASHINGTON & JEFFERSON, 56

W. and J. couldn't do it again. The Mountaineers led by 42-14 at the half. Then Patton resorted to reserves, but still the Prexies failed in their efforts to catch up. Thirteen West Virginia players saw action.

WEST VIRGINIA, 72; PITTSBURGH, 59

"Beat Pitt" was the battle cry. And the Pattonmen did just that. Not before a battle, however. The Panthers again tried to trim us by controlling the ball, but we widened the gap after a close first half before reserves finished the job. It was a cheerful night in Morgantown.

WEST VIRGINIA, 92; CARNEGIE TECH, 48

The outclassed Tartans likely felt as though they should have stayed home. Reserves played a big part of the game for our side, although this didn't keep the contest from remaining dull. Incidentally, the 92-point total was the highest of the season.

NATIONAL INVITATION TOURNAMENT

West Virginia slipped a couple of times in the first round clash with Bradley Tech, but managed to hit consistently enough for a 69-60 verdict. Then came Utah in the semi-finals—and down we went. It was a battle to the final gun, however. The truth is we were below par again and trailed most of the way. We did come to life in the second half, but it was too late. Utah won, 64-62. West Virginia moved to the consolation game after that one. It started out in good form against North Carolina State, fell behind at halftime, narrowed the difference in the second half to two points, and finally faded in the waning moments. Anything can happen in basketball—and it did to us in the tournament. But look over the regular season results again. Weren't they rosy?

1946 Baseball Team

1 9 4 6 B A S E B A L L

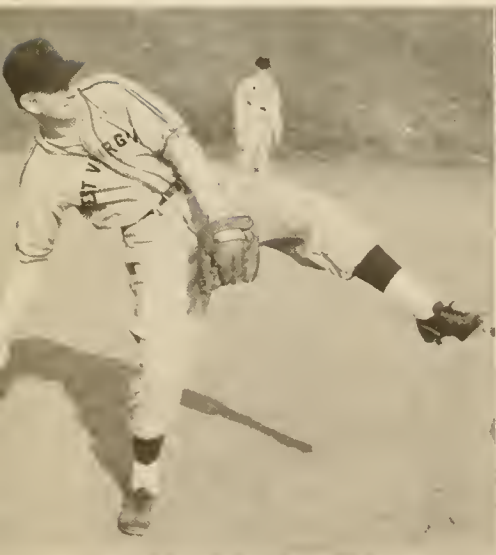

Coach Errett Rodgers' baseballers enjoyed an excellent season last spring, winning six of eight contests during the abbreviated campaign. Six other games on the schedule were either rained out or cancelled because of wet grounds.

The '46 team returned baseball to the campus for the

first time since '42. That's when athletic officials discarded the diamond sport for the duration of the war. Rodg's team won only two and lost nine that year, all of which makes the '46 season all the more impressive.

Okey Ryan and Howard Beverly took turns at the pitching assignments, with veteran Vic Krenosky furnish-

ing relief. Ryan won three of the four games he worked while Bev notched two victories in three trips to the mound. Vic had tough luck all season, failing in his efforts to get back into pre-war form.

Bob Johnson, veteran centerfielder, paced the Mountaineers in hitting. Bob registered nine bingles in 20 times at bat for a fat .450 average. Joe Birmingham, regular first baseman, followed closely with .438. He smacked out 14 safeties in 32 tries. Catcher Hank Herrington batted at a .424 clip. Opening the season in mid-April after several delays, the Mountaineer nine enjoyed a field day at the expense of West Virginia Wesleyan. West Virginia took the first game of the double-header, 12-4, then followed up with a 10-3 decision in the nightcap. It was a lot of power for a cold day during which snow flurries fell and wintry breezes blew.

St. Vincent College of Latrobe, Pa., was the next opponent to take it on the chin, the Mountaineers winning by 6-4. Then came Bethany and another explosion of power—by the Rodgersmen, that is. West Virginia trimmed the Bison to the tune of 22-2. It was an easy one for all—except Bethany.

A jinx from way back, Pitt stopped the Gold and Blue streak in West Virginia's fifth start of the season. The Panthers clawed us by 3-1 at Pitt Stadium, but Rodg still thinks we let that one slip through. Pitt bunched its hits; West Virginia didn't. That proved the deciding factor.

The same thing happened at State College, Pa., where Penn State nosed out a 5-4 victory. Ryan turned in a

good pitching performance and the team was hitting, but we failed to cash in with the scoring opportunities that popped up. That was to be the last defeat of the season, however.

West Virginia unmercifully twisted the tail of the Salem Tiger upon its return to the Athletic Field a few days later. The score was 18-2. And the campaign came to an end with an 11-3 walloping of Shepherd College's hapless diamondmen. Two games remained on the schedule with Pitt, but inclement weather forced cancellation. Rodg and the boys would have given anything to get back at the Panthers in those games. Who wouldn't have?

TRACK SQUAD

First Row: Coach Art Smith, Warner, O'German, Pence, Posey, Campbell, Waters, Lowe, Mayfield, Morton, Pepper, Hanson, Godfrey, Lindsey. Second Row: Windon, Mazza, Atkinson, Neely, Davis, Heater, Pittman, Huntz, Garman, Harris, Harold.

TRACK AND WRESTLING

A layoff during the war years didn't hamper the sport of track at the University. The revival of the cinder event this past spring was a grand success, Coach Art Smith's green squad winning three of its four meets.

The veteran Smith built an impressive combine around one returning letterman, miler Ray Waters. Several outstanding prospects showed up well during the season, and they promise greater things within a year or two.

Top member of the squad was Jack Morton, fleet-footed athlete from Parkersburg. He paced the scoring in each of the Mountaineers' encounters.

The University trackmen won their last three engagements after dropping the opener. The defeat came in a triangular invitational meet in Cleveland, where Case came through with 58½ points—one more than registered by the Gold and Blue. Carnegie Tech was third with 36.

Washington and Lee was defeated by 92½ to 29½ in a dual meet at the Stadium, and Geneva met similar resistance in its appearance on the campus. The Pennsylvania school dropped an 88½ to 28½ decision.

Coach Smith's squad wound up the season by capturing the Tri-State championship in the meet at Beaver Falls, Pa. The Mountaineers finished with 52½ points, easily passing Carnegie Tech which was second with 25 points.

SCHEDULE

Case 58½, West Virginia 57½, Carnegie Tech 36.
West Virginia 92½, Washington and Lee 29½.
West Virginia 88½, Geneva 28½.
West Virginia 52½, Carnegie Tech 25 (Tri-State championship).

WRESTLING

Wrestling made an informal reappearance on the University campus last winter with a schedule of four matches and an invitation to the Case School of Medicine tournament in Cleveland. Albert (Whitey) Gwynne, veteran mat coach, returned from Navy service to revive the sport.

Although his boys didn't win any of the four matches, Whitey was quite pleased with the interest and progress shown by the squad. They did right well after getting started late, and should reach top form in another year or two. Gwynne is determined, as always.

The Mountaineers dropped the first match to Waynesburg by 38-0, but scored in each of the remaining engagements. Case won 28-6, Washington and Lee by 24-6, and Waynesburg in a return match by 26-6.

Mario Ferraro, 165 pounds, was the outstanding member of the squad, winning three of his four matches. He scored a fall over his Case opponent and registered decisions in the second Waynesburg match and against Washington and Lee. Junior DeAntonis, 145 pounds, won a decision against Waynesburg; Kimbel Godfrey outpointed his Case foe, and heavyweight Jim White won on points at W. & L.

Five victories, one tie and two defeats. That's the record which was chalked up by the University golf team last spring. An impressive mark it is, considering the fact that golf was dropped after the '41 season because of the war. The '41 record was four wins and one setback.

Dr. Richard Aspinall coached the linksmen again and, of course, was more than pleased with the results. Michael Krak captained the squad and was outstanding in his performance during the season.

In fact, the entire group turned in good showings as they brushed aside such teams as Westminster, Carnegie Tech and Slippery Rock. The squad included Jack Feck, Bob Coulson, Tom Stollings, Jim Spencer, Bob Spangler, Bill Morgan, Jim Blanton and Krak.

Navy tagged a 9-0 defeat on the Gold and Blue linksmen in their opener at Annapolis, and Slippery Rock administered a 7-2 setback in the second match. Then the Mountaineers started to roll. They outclassed Westminster, 13-2, for Victory No. 1, and proceeded to win the rest of the matches, except one which ended in a tie.

Carnegie Tech dropped two decisions, 12 1-2 to 2 1-2 and 9 to 0. Westminster fell a second time by 7-0. Kingwood Country Club was defeated in a close one, 6 1-2 to 5 1-2. And the Mountaineers tied Slippery Rock in a return match, atoning somewhat for the early-season reversal.

In all, the University golfers rolled up a total of 59 points during the season while their opponents scored 35.

In Appreciation

In the production of a college annual the size of this year's MONTICOLA, one encounters many difficulties and details which can be overcome only with the assistance of a small group of people who unselfishly give their time and technical talents to the end that the best book possible can be put out. It is to this sort of individual that we wish publically to express our sincere thanks for their invaluable assistance at a time when we needed it most.

For the fine help in the designing and printing of the MONTICOLA, we are indebted to Joe Ledbetter and Mr. Benson of the Benson Printing Company in Nashville, Tennessee. Our sincere thanks also go to Mr. Russell Benson and Mr. Frederick Noer of the Indianapolis Engraving Company for the high quality engraving furnished throughout the book.

Our photographic work came from several sources. Perhaps the greatest outside contribution was the photographic work on class portraits and the beauty section furnished by Mr. Hugh and Mr. A. L. Knee. The first Kodachrome picture ever to appear in a MONTICOLA was taken by Mr. Lorren Lambert of Parsons, West Virginia, who also contributed other work which added materially to the photographic side of the book.

Any success of this year's MONTICOLA must be attributed to the support of Mr. Thomas E. Millsop, president of the Weirton Steel Company. It was through his generosity that many features were added to this book and that it was possible to send this book to the families of West Virginia University's honored War Dead.

Our sincere thanks to all you people. The 1947 MONTICOLA owes much to you.

OUR FEET ARE FIRMLY PLANTED IN WEST VIRGINIA

—AND WE BELIEVE IN ITS FUTURE!

A careful evaluation of all the visible factors controlling the future of West Virginia convinces us that this state will enjoy a steady economic and social growth for decades to come. We are so sure of this that we are, as rapidly as possible, extending our lines and increasing our generating capacities. Further, we are improving existing lines and extending new ones into the 33 West Virginia counties in which we render electric services. Indirectly, even more

important work is being done on a long range program to conserve and to build up the wealth of resources of the state and to help the people make more profitable use of them.

The day of extractive farming and timbering is over and we know that if West Virginia is to progress it can do so only by tremendous effort on the parts of the people. The industrial picture is a little brighter, but there, too, foresight must be followed for solid, profitable growth.
